COVID 19 ERA RING PROCEDURE

OUTSIDE RINGS

If you don't own it or have responsibility for it, please don't touch it.

Keep at least 1.5 metres apart or maintain 2 square metres distancing.

Please refrain from handshaking, hugging or kissing if you are from different households.

Use hand sanitiser provided at the gates when entering and exiting the grounds and throughout the trial.

ALL RINGS

Only the Judge shall place course signs.

Only Judges or Stewards may place or adjust equipment in the ring e.g. jumps and jump heights, distractions for the offset figure 8 etc.

During the course walking period all competitors must maintain social distancing and walk the course individually i.e. do not progress to the next sign until the competitor in front has moved on from that sign. If a competitor has a question for the Judge the competitor will step away to the side of the sign in question and discuss the query with the Judge. When the question has been answered, the competitor can proceed through the course when a suitable space has occurred.

There shall be only one Steward in the ring. If two Stewards are available, the second Steward shall remain outside the ring, and shall be responsible for marshalling competitors and writing up the outside score board.

The competitor shall not enter the ring until called by a Steward, after the ring has been vacated by the previous competitor.

The Stewards Table shall be placed as close as practicable to the ring gate. Only the Judge and Steward(s) may place items on the table.

When asked to remove the lead, the competitor shall remove the lead and retain on their person (preferably in a pocket). At the finish of the last individual exercise in the class, the competitor shall immediately place the dog back on lead.

At a time to be advised by the Judge, the Judge shall orally advise the Steward of each competitors scores. The Steward shall write the scores on the outside scoreboard. The scoreboard will be a whiteboard on the side of the club house. Only one person at a time shall be within 1.5 metres of the scoreboard.

RING PACK-UP

At the conclusion of judging in each ring, any available person may assist in the ring pack-up, including rolling up the ring chain, carrying corner poles, jumps and tables to the containers.

Equipment should be left in the area between the containers.

Any person handling equipment should wash or sanitize their hands both before and after handling the equipment.
