## KCC CHAMPION KINVARRA MICHAEL (FRONT COVER)

Many of our members might remember the front cover. The Irish Setter Club had a printers plate of AUST CH KINVARRA MICHAEL and we used that for years as our front cover for our champ shows, open parade and open shows. Unfortunately the printers plate has been lost but in this age of high tech, and digital imagery, we have been able to let Michael grace our catalogue once more.

The club was fortunate in receiving a generous donation of framed portrait and photograph of Kinvarra Michael by the McIlroy family.

His kennel prefix is KINVARRA. He was bred the Mrs. Halpenny. This is not to be confused with KINVARRA kennels of Lee Schoen in the states. I have been told by some old breeders that he did try to stop the prefix here but to no avail.

MICHAEL was whelped on 1/9/47 and was sold as a pet! How many times have you heard of a dog that was sold as a pet but ended up being a top show dog.?

He was passed through a number of owners before he arrived at the McILROY house.

In limited showing as there was not the number of shows then compared with now, Michael amassed 14 BEST IN SHOWS!! plus 3 MELBOURNE ROYAL CHALLENGERS. IN 1950,52 AND 53.

He went on the win BEST IN SHOW AT MELB ROYAL in 1950 and 53. The English judge in 1953 thought he was world class and could win anywhere in the world!!

We do not have to go that far back to receive these glowing comments from judges. Most older members ( I include myself here) have heard favourable comments from overseas judges about our Irish in the not so distant past.

MICHAEL was used at stud and was a popular sire. If you do search back in your pedigrees, you will find him.

A beautiful Irish with that lovely kindly expression.

Peter Austin

**President's Welcome**

It is my pleasure to welcome all exhibitors and visitors to the 59<sup>th</sup> Championship Show of The Irish Setter Club of Victoria Incorporated.

After COVID restrictions denied the club being able to conduct our 2020 ISCV Championship show back in November, we are delighted it was approved to be rescheduled for April 2021. Your committee has put in great deal of time and effort to ensure we have a safe fixture.

A warm welcome is extended to our Judge, Mr Peter Mangos, an Irish Setter specialist who bred and exhibited many award winning dogs carrying the Tarralain prefix at the peak of the breed's popularity. We trust you enjoy your appointment and hope you have pleasure catching up with your fellow ISCV members as well.

The club continues to be grateful for the generosity of those who have made donations or contributed towards the trophy fund. I would also like to thank our committee and in particular the Show Secretary, Rhonda Fisher and Show Manager, Vern Malloy for their hard work.

Thank you to everyone for your continuing support and to all, please have fun and enjoy the day.

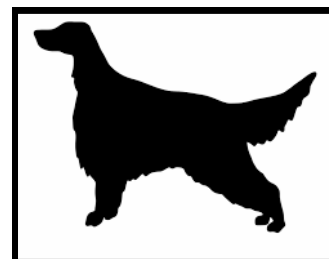

Good luck to all exhibitors

David Cleland

## **Introducing our Judge,**

**Mr Peter Mangos**

**Victoria**

My first encounter with an Irish Setter was as a teenager in New Zealand when a family friend visited with two magnificent, energetic, glorious red dogs, It was love at first sight and not only from my side, they almost devoured me! Loved their unique beauty, exuberance and boundless energy and immediately knew that one day I had to have one, or two, or three....

It was not until the early seventies after I had moved to Australia that I purchased my first Irish Setter and didn't have any intention of showing him but joined The Irish Setter Club of Victoria to get some knowledge about the breed. Someone (thanks Esther) suggested I should show the dogs and soon I was hooked, making many lifelong friendships along the way.

During the 1970's , 80's and early 90's I enjoyed success as an exhibitor and breeder of Irish under the "Tarralain" prefix showing and breeding many Champions at Speciality and All Breeds Show level.

I have also imported Irish Setters from the USA and exported to NZ and the USA to become International Champions, I have handled Irish, English and Gordon Setters in Australia, New Zealand and the USA.

Whilst I have not had any Irish for some years, I still maintain a strong interest and passion for the Irish Setter breed and, when judging, I am always delighted to find one worthy of an award.

My 30 years of experience judging the Setter Breeds is vast and has taken me to most Australian States. I have also judged Irish Setter at Specialty and All Breed Shows in New Zealand and many times throughout the USA including Lexington Kentucky, Richmond Virginia, New Orleans Louisiana and Sacramento California.

I also judged the English Setter Club of America National Specialty with a huge entry of over 150.

It is indeed an honour to be invited to step in to judge the 59th Irish Setter Club of Victoria Inc. Championship Show in these uncertain times when an international judge is not possible.

## Thank You

The club gratefully acknowledges the generous donations received
