Dr Bruce Cornish

Today's shows are in remembrance of Dr Bruce Cornish, a life-long member and President of the Sporting Spaniel Club and devoted husband, father and grandfather to Bev, Tracey, Jay, Grayson, Jannah and Olly and Scott and Stella. Bruce passed away in September 2020.

Most of you know Bruce from the Dog World and have seen him through SF Queensland and NSW showing dogs in the gundog and non-sporting groups. While Bruce had a real commitment to dogs and showing dogs, his talents extended well beyond breeding and showing dogs.

Bruce was a Brisbane boy who decided to join the admirable profession of teaching having obtained degrees in teaching and applied sciences at QUT. He started teaching in the public system in Qld with a focus on maths and science before joining the private school system. Bruce taught maths and science at all levels at the Church of England Grammar School (a.k.a. Churchie) and later at All Hallows Girl School and Star of the Sea at the Gold Coast. Throughout the private school system, Bruce developed his managerial skills in managing both his teaching commitments as well as becoming, Head of Science and Vice Principal. Bruce was always known as a highly intelligent, fair and amusing teacher that had a great ability to connect with his students.

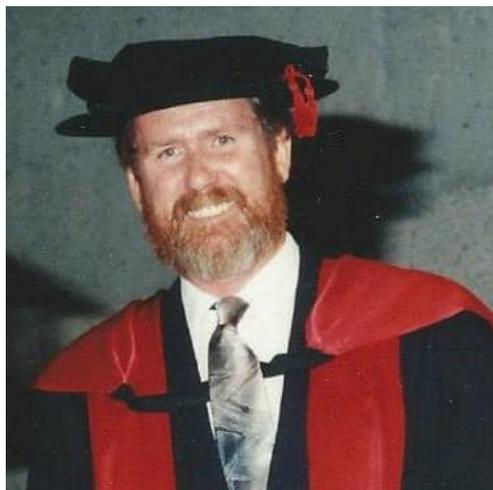

While he enjoyed his roles in teaching, he wanted to further his studies and returned to University to study multiple degrees including Business Administration, a Master in Science, and ultimately a Doctorate (PhD) in Medical Physics. Medical physics is a unit of science that allowed Bruce to apply his extremely broad knowledge of physics and molecular chemistry to healthcare. Medical physics was the ideal candidate for his focus because it allowed him to contribute his knowledge towards the detection, treatment and ultimate cure for some of the most destructive diseases affecting mankind.

Once he obtained his Doctorate he joined the Science Faculty at QUT and taught undergraduate and postgraduate courses specializing in applied medical physics. He

also had periods as the Assistant Dean of the Science Faculty. His studies also lead Bruce to begin his research career where he focused on research into specific cancers of the lymphatic system of the body. His research lead to the development of patented medical devices approved by the FDA in the USA and used globally to help detect the transfer of intracellular fluids throughout the body when facing diseases like lymphoma. Bruce's research has continued in parts of the World to cure lymphatic diseases and his efforts in research are well known in the science community. Even the International Space Station has Bruce's technology installed to measure the health of astronauts while in residence.

Bruce was an avid dog enthusiast with a focus on Gundogs and Dalmatians. Bruce and Bev have successfully bred and shown many breeds over the years including Curly Coated Retrievers, English Springer Spaniels, Gordon Setters, Salukis, Large Munsterlanders, English Setters, English Pointers and more recently Welsh Springer Spaniels. Bruce offered his time and experience with several breed clubs and clubs like Northern Classic in taking several roles including President and Treasurer. He has also participated in leadership roles on the board and various committees of Dogs Queensland.

Bruce passed away in September 2020 leaving his wife, Bev, and Tracey and Scott to continue his legacy. While he is sorely missed, his family will continue to share his love of dogs, dog showing and his commitment to supporting the development of the dog showing community.

President's message.

On behalf of the Sporting Spaniel Club of Queensland we welcome our judges Mr Adrian Jones from Tasmania and Mr David Kill from Queensland to judge our September Memorial championship shows. We were all saddened to hear of the passing of our President Bruce and hope everyone here today will remember him and all the hard work he put in to get this club up and running so we could have a speciality show for our beloved Spaniels. We hope you have an enjoyable day showing and that our 2 judges enjoy judging our spaniel breeds as well as seeing the beautiful Queensland Spring weather.

The club wishes to thank our Show Manager, ring officials and photographer for their time and efforts today.

To our sponsors Black Hawk and Mars Pet Grooming Products and Vets all Natural a big thank you once again for your continued support and I ask that all exhibitors show their appreciation by supporting these companies.

Thank you also to Aufyre Creations Tasmania for donating our Best in Show trophy for the red show. To Mars Pet Grooming for our Best and Runner up in show at our Blue show. A big thank you also to my son Scott for his significant donation. Without this wonderful support we could not have had such a lovely show day as Covid put paid to fund raising for us all in the last 18months.

Good luck to all exhibitors, thank you for your entries, hope you have a lovely day and remember win or lose you are taking the best dog home.

Bev Cornish

Balanced Life Rehydrate is the perfect alternative to fresh raw. Breeders and Members of the Show community have long favored the convenience of Balanced Life Rehydrate when travelling to events. Suitable for all life stages, your dog can still enjoy the benefits of a raw balanced diet without refrigeration, measure, add water, stir & serve!

We support the professional Dog Community and can provide samples for new puppy buyers.
