**VIRTUAL BENEFIT SHOW 2021**

## **On the 8<sup>th</sup> of May 2021 Katelyn's world changed.**

Just 25 years old and 23 weeks pregnant with her second child Katelyn collapsed at a dog show suffering a life-threatening subarachnoid haemorrhage.

Young, strong, healthy and vibrant, Katelyn was brought up in the dog world. Her mother Yanina and Grandmother Fran along with Katelyn breed British Bulldogs under the "Paseya" prefix, also having over a 20 year love interest in their other heart breed the Dalmatian, Katelyn and Yanina started their own kennel and now breed them in partnership under the "Ourdals" prefix.

Progressing through the Junior Handlers ranks and representing the State on several occasions, Katelyn is very well known in the show scene, not only for handling her own dogs to many Best in Shows but campaigning others as well. Not one to say "NO", she goes out of her way to help others whether it be handling, holding, or even saving that illustrious "Top Knot!"

Katelyn's involvement in Juniors has led her to be on the Junior Handlers Committee which she has served on for several years, she is also Secretary of an All Breeds Club and a committee member of her Breed club in Tasmania.

Understandably, this medical condition has had a devastating impact on Katelyn's life and her nearest and dearest, she was in ICU in a coma for nearly 3 weeks before being transferred to a ward where she has started a rehabilitation program. Katelyn's condition has affected her movement and co-ordination (significantly more on her left side) and she is working hard on her motor development, in both gross and fine motor skills.

All those little things we take for granted each day, like walking, talking, and feeding ourselves are now things Katelyn is working on in her physio sessions to enable her to become more independent.

Her baby girl has been oblivious to the goings on to the outside world and has been progressing well.

On the 30<sup>th</sup> of July, 6 weeks early, Willow Grace Elizabeth made an entrance into this world, weighing in at 5lb 2 ounces she arrived safely with both mother and daughter doing very well.

Throughout this Katelyn has shown a remarkable determination in her journey to recovery. Now that bub's has arrived Katelyn will require more surgery and will be heading to a rehabilitation centre to continue her rehabilitation.

The road to today has certainly been a roller-coaster of every emotion possible for us all.

The journey will be a long one for Katelyn, and we thank you all from the bottom of our hearts for being here for us and sharing this journey with her.

Right from the beginning the dog community has jumped on board to start fundraising for Katelyn. A massive thank you to [Teena Sloan](#) for organising the Virtual Show, to Jeremy and Ruth at Show Manager for coming freely on board to accept entries, donations and also his donation of all the fees back to Katelyn and for putting together this amazing catalogue.

To everyone that has entered this show – what an amazing group you are. We are so excited to share in the memories of our past and present dogs that have been entered what a keepsake for Katelyn and everyone else.

For those in our dog community that have sent messages of inspiration, love, prayers and support to us all, we are forever grateful to you all. Thank you one and all from the bottom of our hearts for your support.
