Get to know your judge...

Mrs. Sandie Meads (NZ)

Paris Griffon Bruxellois (NZ)

In 1992 I was given my first Griffon Bruxellois, a wee red rough bitch and she started my lifelong love affair with this delightful breed. From these beginnings I was encouraged to show and breed. Learning to groom a rough (and a smooth) was a huge learning curve. Along the way though I have been fortunate to have had the support and encouragement from some amazing people and made some good friends.

Over the years I have had many memorable successes with breeding and showing here in NZ, Australia and the USA under my prefix 'Paris' or the 'Cricklewood / Paris' combination. I look forward to many more years watching Griffons I have bred, be successful, be it in the show ring, at obedience, or the loved family pet. In more recent years my daughter Fern has begun to take an active part in the breeding and showing of the Griffons.

My interest in judging began in 2013 when on a visit to the UK I was actively encouraged to sit for my Breed Specialist licence, which I gained in 2017 here in New Zealand. In 2019 I judged The Country Griffon Bruxellois Club of NSW's Championship Specialty show (Australia). As well as being a Breed Specialist Judge and on the Open Show panel I have my Toy Group licence and can award Challenge Certificates / Tickets in the Toy Group.

I have been a member of The Griffon Bruxellois Club since 1996, currently on the committee and am the Editor of the club's newsletter 'Griffon Gossip'. I am Secretary for the Auckland Branch of the New Zealand Dog Judges Association.

I feel honoured and privileged to have been asked to judge the Griffon Bruxellois Club of Victoria (Inc)'s Breed Championship show in September 2023.

Thank you.

A handwritten signature in blue ink, appearing to read 'Sandie Meads'.

Sandie Meads

President's Welcome

Today we celebrate our 47th. and 48th Championship Shows. A lot of things have changed since we first began including Rules and Regulations with regard to shows; show entry times; photography (no waiting for a week to see how they turned out); and of course the internet.

I believe that the average puppy in a litter is much better than in the 1960's and 70's, so it will be interesting to watch as today's dogs show off to our judges.

We welcome Mrs Sandie Meads (Paris) from New Zealand, a long-time breeder with ties back to Mrs. Mollie Grocott of the Moerangi Griffons and Mr. Stephen Wailes, a Victorian Saluki breeder who judged for us some years ago. We look forward to their decisions.

Our Steward, Michael Hayes is well known to most of you, and we thank him for doing this job again.

Mr. Arthur Wilson is our very experienced Show Manager for the day. We thank you. We also thank our V C.A. Representative, Dorothy Alexander.

I know that most people believe that the show committee is just doing the job expected of it. However, without them there would be no show. Kathy Grass has been working hard, contacting all the people mentioned above, fixing all the paperwork, and designing our lovely catalogue, plus many other necessary bits and pieces.

Robin Simpson has been attending to the financial side of things, and ordering rosettes. Colleen de Haan, May Winning, Vanessa van der Helm and Lois Mitchell are our caterers and organized the yummy, boxed lunches. Contributions were also included from Robin Simpson and Gail Wilde. Thank you ladies.

We extend a hearty welcome to our interstate visitors who have travelled many kilometers to be here. Good luck to you all.

Next year, for our 49th and 50th shows we are very fortunate to have two very experienced Scottish specialists as our judges. Mr. Graham Finlay-Kirkwood will judge our 49th. show, and Mr. James Finlay-Kirkwood will be our judge for the 50th. show.

Please join us next year for that celebration.

Beth Canavan (Club President)

Breed Standard

General Appearance:	A cobby well balanced, square little dog, giving appearance of measuring the same from withers to tail root as from withers to ground.
Characteristics:	Smart little dog with disposition of a terrier. Two varieties rough coated, Griffon Bruxellois and smooth coated, Petit Brabancon. Both with pert, monkey-like expression, heavy for size.
Temperament:	Lively and alert.
Head And Skull:	Head fairly large in comparison to body, rounded but in no way domed, moderately wide between the ears. Hair on skull in roughs rather coarse. Nose always black, with large, open nostrils and definite stop between muzzle and skull. Relatively short, wide muzzle, neat lips, with good turn-up. Chin prominent, in roughs furnished with a beard.
Eyes:	Black rimmed, very dark, round, clear, alert and not too large.
Ears:	Semi-erect, high set, the smaller the better.
Mouth:	Slightly undershot with even teeth, not showing teeth or tongue.
Neck:	Medium length, slightly arched, springing from well laid back shoulders.
Forequarters:	Chest rather wide and deep, legs straight of medium length and bone.
Body:	Short back, level from withers to tail root, neither roaching nor dipping; deep; well-sprung ribs; short, strong loin.
Hindquarters:	Well muscled thighs of good length, hocks low to ground, turning neither in nor out, stifles well bent.
Feet:	Small, thick, cat-like with black toenails.
Tail:	Docked: Docked short, high set, emerging at right angles from the level topline. Undocked: High set, emerging at right angles from the level topline. Of moderate length, curved gently over back when moving.
Gait/Movement:	Free with good drive from rear. Moving true coming and going. High stepping front movement undesirable.
Coat	Roughs, harsh, wiry, free from curl, preferably with undercoat. Smooths, short and tight.
Colour:	Clear red, black or black and rich tan without white markings. In clear red, a darker shade on mask and ears desirable. Ideally each hair should be an even red from tip to root. Frosting on muzzles of mature smooths should not be penalised.
Sizes:	Weight: from 3.2-5 kgs (7-11 lbs) most desirable 3.6-4.5kgs (8-10lbs)
Faults:	Any departure from the foregoing points should be considered a fault and the seriousness with which the fault should be regarded should be in exact proportion to its degree and its effect upon the health and welfare of the dog.
Notes:	Male animals should have two apparently normal testicles fully descended into the scrotum.

Griffon Get Togethers 2023

2023 has seen the club hold several well attended Griffon Get Togethers.

We have met up for a chat, play and a walk at Lillydale Lake Park and Jells Park in Wheelers Hill and many smaller groups are now meeting regularly in their own local areas on a regular basis.

It is wonderful to meet up again and socialize our Griffons and friends in beautiful environments.

This year the club will be holding an Open show and a breed stand at the Dogs Victoria Big Day Out for Dogs on Sunday, December 10th. at the State Dog park, 655 Westernport Highway, Skye.

We hope to see you all there.

THE POINT SCORE EXPLAINED...

For many years the Club has had two Perpetual Trophies that are known as '*The Most Successful Stud Dog on the Day*' and '*The Most Successful Breeder on the Day*'.

Whilst the other Perpetual Trophies are open for all entries at a Club Championship Show, these two are only open for those exhibitors/breeders who are *current financial members of the Club*.

For example: (These names are purely for demonstration purposes and in no way indicate any current or historical Griffon breeders)

MOST SUCCESSFUL STUD DOG ON THE DAY

'Houdini The Great White Shark' is the sire (stud dog) of two entries in the Minor Puppy Dog Class, one entry in the Puppy Dog Class and one entry in the Minor Puppy Bitch Class.

He is owned and exhibited by a current financial member. One of his progeny in the Minor Puppy Dog Class is also owned and exhibited by a current financial member, but the other entry is not.

Therefore, 'Houdini The Great White Shark' can only have the one puppy that is owned and exhibited by a current financial member in the Minor Puppy Dog Class count toward his score for Most Successful Stud Dog on the Day. However, his progeny entered in the Puppy Dog Class and the Minor Puppy Bitch Class are both owned and exhibited by a current financial member and will count towards his score.

The allocation of points is as follows: 3 for a first place in the class, 2 for a second place and 1 for a third place.

Hypothetically, let's say that the eligible Minor Puppy Dog is second in his class. 'Houdini The Great White Shark' receives 2 points entered against his name on the Point Score tally sheet.

Fortunately, both the Puppy Dog and the Minor Puppy Bitch win their respective classes, earning 'Houdini The Great White Shark' an extra 6 points. As he has not sired any other eligible puppies entered in the show, he finishes with a total of 8 points.

Even though 'Houdini The Great White Shark' is also entered in the show in the Open dog Class, his sire was bred and is owned by a non-current financial member. Therefore, his sire is ineligible for the Most Successful Stud Dog trophy and his sire's breeder is ineligible for the Most Successful Breeder trophy.

All the eligible stud dogs with eligible progeny will have been entered on the Point Score tally sheet prior to the day, and, depending on their class placings, will have been allocated points accordingly. At the end of the show, all the points for each stud dog are added up and the stud dog with the most points wins the trophy.

*Please note Griffons entered in the challenge classes eligible for championship points are the only dogs included in the tally.

MOST SUCCESSFUL BREEDER ON THE DAY

Henrietta Dyson is a registered breeder and exhibitor with Dogs Victoria or her state equivalent. She is also a current financial member of the Club. She is the breeder of the litter of Minor Puppy Class entries that were sired by 'Houdini The Great White Shark'. When the eligible puppies won their respective class placings, Henrietta was also allocated points on the Most Successful Breeder tally sheet.

Again, it is 3 points for a first place, 2 points for a second and 1 point for a third place.

Therefore, Henrietta has 5 points entered on the tally sheet. Because Henrietta has eligible entries in some other classes, she is allocated points on the tally sheet according to those entries class placings.

Each eligible breeder's points are added up at the end of the show and the breeder with the most points wins the trophy.
