## Mrs. Mary Hanus “Winterhaven” (USA)

Dogs have always been a big part of my life. My parents had toy poodles when I was growing up. My Husband Mike and I decided on an American Cocker as our first dog. We attended a dog show shortly thereafter and soon realised that our cocker was less than a great example of the breed. I also discovered that I loved the atmosphere of the show ring. I immersed myself in everything related to dogs and showing. Information was not as easily accessible as it is today. I went on to purchase my first American Cocker show hopeful in 1980. At that time I worked for professional handlers to pay my handling bills. I acquired a wealth of knowledge from them along the way. We finished 22 AKC titles, including three obedience titles on our American Cockers, and then we discovered Cavaliers.

The Cavaliers appealed to me for so many reasons. From their beautiful melting expression, delightful personalities, easier coat care, and the fact that we could handle them ourselves competitively in the show ring, made them a good fit. Since we began this journey with cavaliers in 1995, we have obtained over 70 titles on our cavaliers under the Winterhaven prefix. All of our cavaliers are owner handled, or handled by our wonderful friends.

Over the past 43 years I have served on the board of many specialty clubs. I am President of the American Cavalier King Charles Spaniel Club and a life member of the American Spaniel Club. I am a founding member and the President of the Badgerland CKCSC of Wisconsin. Since I acquired my judging licence I have judged numerous cavalier specialties and many all-breed shows.

I feel honoured to be judging your Specialty show.

Expert Grooming Article

# Cavalier King Charles Spaniel

Over the years it seems the most requests for assistance with coat grooming are from the Cavalier exhibitors. This delightful breed seems to elicit all sorts of questions from all over the world. As the standard calls for a longish silky coat that is free from curl with plenty of feathering, there is a lot of scope for advice. Whilst wave is permitted, curl is not. You will want to have volume on the ears but keep the body of the coat lying closer and the featherings dried smoothly. (read more over page..)

# Cavalier King Charles Spaniel

## Expert Grooming Article

The different coat colours allowed also generate different techniques to keep in optimum condition. Colours must be kept rich and not allowed to fade.

You can't beat the **Plush Puppy All Purpose Shampoo** for coat shine. The **Plush Puppy Herbal Whitening Shampoo** is great for the white areas and the **Plush Puppy Deep Cleansing Shampoo** brilliant for more intense cleansing or to remove an unwanted build-up of products. Use all shampoos at a ratio of 1:5 (1 part shampoo to 5 parts water).

The Whitening Shampoo is a toning shampoo so it is effective for minimising unwanted warm tones in the coat such as yellow or rusty tones and to generally cool down reddening on a black coat.

For greater whitening use **Plush Puppy Wonder Blok**. It helps to maintain a white stain free coat. It is not a bleach and contains no harmful chemicals but high amounts of naturally sourced vegetable surfactants and glycerin. This product is designed to remove gently unwanted warm/red tones to the coat. Best used on a damp or wet coat. Gently rub into the areas required allowing time (5-10 minutes) and rinse. For maximum effects repeat or allow a longer time for this amazing product to work. As with all products take care around eyes.

With this head type and especially around those eyes, use **Plush Puppy Let's Face It Shampoo**. This is a hypoallergenic sulfate free low foaming shampoo designed just for faces. It's no tear formula features the highest quality Blue Cypress Extracts, Panthenol with Pro Vitamin B and SugaNate. These special ingredients clean, soothe, add moisture, aid healing and have anti-inflammatory benefits. A small golf ball sized amounts directly to the face and eye area allows you to thoroughly clean without causing irritation. It can also be used in and around the ears with the same benefits. Its low foaming design allows ease of rinsing, yet complete cleaning.

After shampooing, for this coat use **Plush Puppy Silk Protein Conditioner** at a ratio of 1:10 (1 part conditioner to 10 parts water - can be used up to 1:20). Apply to the dog, massage in and then rinse.

Natural Silk Protein conditioner leaves the coat with a wonderful finish, reducing static electricity and fluffiness in "fly-away" coats. It features an intensive formulation boosted with Silk Amino acids and plant extracts that bind keratin in the coat, strengthening whilst protecting against moisture loss. It assists in repairing the coat by using herbal extracts that are rich in natural antioxidants. These are excellent for moisturising and strengthening coat, smoothing the cuticle, detangling the coat while soothing dry skin. Natural Silk Protein Conditioner restores hydration and vitality for a naturally softer, silkier more lustrous coat.

**Plush Puppy T.L.C. Coat Conditioner** can also be used for a Cavalier coat. This comes in a ready to use spray bottle. Use as a normal conditioner and rinse out, or as a leave-in conditioner treatment. T.L.C moisturises and detangles the coat leaving it with excellent shine. It features a sublime light refreshing coconut fragrance.

For brushing this coat, make sure you are using a moisturiser first rather than attacking a dry coat. **Plush Puppy OMG** is the perfect product for this coat. A light spray and brushing in allows complete coat refreshing. It separates the coat and leaves the most amazing finish. Use **OMG Concentrate** diluted at 1:20 (1 part OMG to 20 parts water) or **OMG ready to use**. The stronger the mix the stronger their effects. Different dogs at different coat stages means different mixtures.

Using OMG can be a one-off at shows or during the drying process after bathing. An amazing product for regular brushing also as it hydrates the coat and reduces stress and coat loss. OMG can also be used on top coats and brush/polished in for that wonderful smooth and flatness to the coat. It never builds up and never goes stringy. A must for this breed.

It is a constant discipline to remember to do the rituals of good maintenance. We can all tap-dance and fly into a panic trying to remedy a coat that is less than wonderful prior to a show but it sure is easier to have a good coat condition to start with.

Should the coat need salvage techniques just prior to a show then use **Plush Puppy Blow Dry Cream**. Add 1 tablespoon to 1 cup of water and apply to the coat. It will instantly soften and flatten an overly dry coat but unfortunately won't grow the length on those featherings for you!

For showtime grooming, you will need to do two techniques - one for the body and featherings, and one for the ears where you want more lift and fullness. The featherings should not be curly so apply **Plush Puppy Swishy Coat** at a ratio of 1 tablespoon to 500mls of water. Saturate the featherings with a liberal spray or sponge through. You can dilute further but this is a good starting point for the average coat. Variations will occur with coats so you will need to adjust this dilution rate to suit.

Using a cushioned oval **Plush Puppy Ultimate Pin Brush**, dry till  $\frac{3}{4}$  dry as this won't stretch the featherings then switch to the **Plush Puppy Ultimate Anti-Static Porcupine Brush** which is an oval cushioned half bristle, half dialon brush to finish by smoothing the featherings. I use the two brushes as it is detrimental to the coat to not overly stretch hair when wet hence the use of the Pin brush first till almost dry. The Swishy Coat will help to keep the coat smooth and straight and shiny.

Now apply **Plush Puppy Volumising Spray** to the ear featherings for quick and easy fuller coat results. Perfect either before blow-drying or used to "fluff" up the coat at the show. A light even spray, brush in until dry or use a dryer. This is a hair thickener to add volume, not a hair stiffener and not easily detectable as it leaves the coat with a natural fuller look and feel. Just perfect for ears and anywhere requiring a bit more lift.

Use the Pin Brush to  $\frac{3}{4}$  dry and either finish with the air from the dryer and your fingers for a more tousled finish. Alternatively you can complete the drying lightly with the Pin Brush for a more regulated but still loose but full finish.

Finish with a **Plush Puppy Professional Grooming Comb**. The lightweight oval shaped spine combining fine and coarse pins will reduce drag and static to the coat. Perfect for use for this breed of dog.

The picture you are trying to achieve with this breed is for a wider look to the ears so that they appear to fan forward to frame the face when alert. Now the hardest part is done and out of the way. The rest is a roll down the hill to the show. It's a good feeling to have the hard work done and the fluffing only to do on the day. Just keep those ears dry with a snood and keep the **Plush Puppy Wonder Wash** and a dryer handy for the featherings underneath when the dog pees indiscreetly. This which is a no rinse wet instant shampoo for last-minute emergencies that will clean up anything, pronto. Just spray foam with the fingers and towel off.

The show ring beckons and for the fidgety exhibitors such as myself you will have no problems finding things to do so let's make it effective. A light sprinkle of **Plush Puppy Pixie Dust** onto the brush and tapped lightly through the coat just catches the glints of sunlight or spotlight. Not too much. Your little pixie is not the glitter fairy so don't turn him into one. If you can see it when you put this on, then you have gone overboard. It does look sensational but needs a wise hand. Finally, a very light spray of **Plush Puppy Shine and Comb** onto the topline and sprayed from a distance to keep it spread lightly and effectively and you are ready to hit the stage.

At times due to various reasons including the weather static electricity can create flyaways. If this occurs use **Plush Puppy Anti-Static Coat Control**. This is a lightweight spray using the latest technology is infused with organic extracts of Witch Hazel Leaf, Linden Flower, Birch Bark and Nettle. It also adds to the protection, include a UV filter to stop sun damage and protect against heat strength for the perfect finished look of the coat. This amazing product is idea for this breed and a must for your tack box.

The Cavalier was a favourite of the Royal Courts and is a favourite of yours and many others today. He is a happy little chappy and shown to perfection with a great grooming routine, he is just something else again. He has a lot of natural ability in his appearance that just needs tender loving care. Such a wonderful breed.

***“Lucy”***

(Arynbeth Heart of Gold X Daventri Midnight Breeze)

Breeder: Daventri Kennels

Owner: Daventri Kennels/Pam Kruger

DOB: 17/06/2012

At almost twelve years old, Lucy continues to amaze. She had some success in the show ring, but more importantly, she excelled as a mother. The ten babies in her third and final litter all survived. Lucy was amazing. She is the mother of multiple champion progeny. Lucy continues to live a happy, healthy life and remains heart clear. Lucy is living out her best life with dear friend Pam Kruger.

***“Sophie”***

(Ch Cobbets Cockney Rebel (Imp UK) x Gr Ch Matmor Poison Ivy)

Breeder: Mathew Morse & Will Henderson

Owner: Mathew Morse & Will Henderson

DOB: 10/08/2012

To have bred a bitch that has excelled in the show scene is wonderful but that fact she went on to become one of the breed's most illustrious dams makes her a pearl beyond measure. Sophie needs no introduction, her success in the ring was enormous as were her antics. She has been such an effervescent show dog, in fact her tenacity and demonstrative demeanour meant she was at times rather reckless, but when on task, she was unstoppable. Not only was she the first black and tan Cavalier female to win an All Breeds Best in Show in Australia but she also won an incredible 20 Speciality CC's. To date, seven of her offspring have gone on to be Speciality Best in Show winners and five are All Breeds BIS winners as well. There are ten champions – in all four colours with five going on to achieve their Supreme Championship titles. Her offspring all possess her 'look at me' temperament, her glamour and striking outline.

DOB: 16/08/2012

Ista continued the fashion stakes set by her dam, Katie-Jane, and enhanced by her sire, Dougie. Whilst Ista held her own in the show ring, (starting with Baby Puppy In Show at 3 months of age), and produced a litter of 6 her true calling was couch dog when Deb and Pete fell in love with the tri tornado. It was not uncommon to find Ista up workmen's ladders, on top of high furniture, in dishwashers, cupboards or cars so she was choosing her own career.

**"Jackie"**

(Ch Dapsen Destruction Man x Davenporti Caramel Creme)

Breeder: Sue Reaveley

Owner: Lynette Milne

DOB: 29/03/2013

Jackie, my first Cavalier, has been a great ambassador for the breed in various dog sports. She is enjoying Track and Search training currently which provides her with the mental stimulation she needs to be a happy dog. We are into our fifth year working for the Responsible Pet Ownership program run by the Victorian government. Jackie and I teach young children how to stay safe around dogs. Children in kindergartens and preschools, especially in parts of Melbourne where dog ownership is not high, feel safe patting Jackie. Often patting Jackie is the first time they have had anything to do with a dog. Children love seeing her wagging tail. This program is always looking for new recruits and I recommend this work to anyone who has a child friendly dog and loves working with children. At 11 years of age, Jackie continues to make me laugh everyday with her antics.

(Grand Ch Daisymont Time in Motion x Daventri Midnight Tryst)

Breeder: Daventri Kennels

Owner: Penny Windlow

DOB: 08/04/2013

Everyone remembers my "pirate puppy". Whether he is having a quiet outing in the show ring or putting his best paw forwards in the trial ring, Soldier is my "little engine that could". He holds titles in the sports of Obedience, Rally, Tracking, Track and Search, Agility, Dances With Dogs, and Endurance, and he is the third Cavalier in Australia to be awarded the title of Triple Champion – for dogs who hold a show ring champion title, and champion titles in two different sports (in Soldier's case, Rally and Tracking). At 11 years of age, he is heart clear, and is still happily competing in various sports. I am incredibly proud of what my shy, special boy has achieved. Thank you, Soldier, for being you.

Dice continues to live a great life with our dear friend Therese, who is in Canada bonding with her own granddaughter. Dice had had a small show career but decided that eating was only an occasional option, life was more exciting being a couch potato. Dice decided that motherhood was her calling and has produced some lovely pups. Dice is a fantastic grandmother to Bonnie's children.

Breeder: Ms Vivienne McLaughlin

Owner: Ms Vivienne McLaughlin - Loved by Michael

DOB: 08/08/2014

The “Blonde” of the family, Issy with her beautiful dark eyes has the gentle, loving personality of a true comfort spaniel and loves to “wear” her people as one would wear a scarf. An avid climber, (think Spiderman), in her youth she is also known to help herself to the BBQ meat that dad 2,( Michael), leaves to cool on a plate while he collects the rest of his meal. Her show career was excellent, obtaining many IS & IG Awards, including Best Puppy In Group at the prestigious Bulla International Extravaganza. Unfortunately Issy has now been diagnosed with an inoperable tumour, so her daughter Irrie, has moved in with Issy and Michael.

Elliott's show career started with Best Baby Puppy In Show wins at his debut All breed and Specialty shows, both under long-time Cavalier Specialists. He was a Supreme Champion at 20 months of age, the youngest Cavalier at that time to achieve the title. He achieved so much at all breed shows winning in excess of 50 Best In Group awards and many BEST IN SHOW and Runner-up Best In Show wins. Elliott won Royal Best of Breeds at Sydney, Brisbane, Canberra, and Hobart Royals, he then went on to win Best in Group at Brisbane Royal, Gr 2nd and 3rd at Sydney Royal, and RUBIG at both Canberra and Hobart Royals. His record at specialties included 11 Specialty CCs, Multiple specialty Best In Show and Runner Up Best in Show wins. Elliott's final show of his career was a Specialty Best In Show. Elliott only produced a very small number of progeny, but the litters he produced included multiple champions, a specialty BIS winner and multiple All Breed Best In Show winners, the most notable being MBIS BISS C.I.B Sup Ch Dapsen Mirror Mirror. But the best thing about “Baby Satan” is his truly amazing temperament, the “King” of Dapsen he is a most treasured pet and a joy to have around.

Obtaining both her Entire and Neuter Champion titles with ease and multiple Class In Show & Group Awards.....then Covid lockdowns stopped her run for her Neuter Grand title. Steve & Judith already had Illy's Blenheim litter sister, Flirt, and regularly asked if Illy would be able to join their household. Eventually I gave in and Illy moved house, just down the road. Illy has 1 daughter and 3 grandchildren, of whom 2, Bob & Bella, have obtained their Australian Champion titles.

He would go to win 7 Specialty Best in Shows and 3 Runner Up Best in Shows Only ever exhibited at 2 Royals, both in 2022. He was Runner Up Best in Group at Canberra Royal which he followed with Best in Group at Sydney Royal. A multiple Best in Show winner at all levels, his last BIS being at almost 6 years of age after which he would soon retire. Dio is the litter brother to the stunning “Womanizer of an Excellent Choice”. Dio arrived to Australia in November of 2019 as a 3 year old, unfortunately due to the impact of Covid-19, Dio did not make it into the ring, until this weekend as a veteran. **“Lily”**

(Sup Ch Dapsen Flying High x Sup Ch Dapsen Bejazzled)

Breeder: Ms D L Petersen

Owner: Ms D L Petersen

DOB: 18/03/2017

Lily’s show career very much followed in the footsteps of both her Supreme Champion parents Elliott and Brynn. She won Multiple All breeds Best In Shows and a Specialty Best in Show under long time Cavalier specialist Jeanie Montford “Elvenhome Cavaliers”. Lily’s record for winning specialties at a time when Covid prevented many shows was staggering, winning many Specialty CCs in a row under specialist judges from the UK, Germany, France, New Zealand and Australia. Lily only produced one litter of 4 puppies but two of her daughters are definitely following in her footsteps, Tily “Sup Ch C.I.B A2O Ch Dapsen Do You See What I See”, and Mily BIS Ch. Dapsen Can You See Me Now”.

## Emmett Therapy Certified Practitioner

Yvonne Campbell

The **EMMETT Technique** is a safe, unique form of muscle release therapy, which is internationally recognised and effective on both people and animals.

EMMETT Therapy involves the application of light finger pressure at specific points on the body, relieving pain and discomfort, creating postural changes, improving movement, flexibility and overall well-being. These points are referred to as 'Emmett points' and are different to traditional trigger or acupressure points described in any other therapy.

### Key features of EMMETT Technique treatments:

- Accurate and fast assessments of body imbalances
- Can be done sitting, lying or standing
- Pressure applied does not need to be firm or painful
- Suitable for babies, during pregnancy, the elderly and everyone in between

### Symptoms which may be relieved:

Injuries from sport or accidents

Unbalanced gait or stance

Lead/harness strain

Lower back distress

Inhibited movement

Muscle restrictions

Poor performance

Behavior changes
