# President's Message

Friends, On behalf of the Committee of The Dachshund Club of NSW Inc I would like to welcome you to our Easter 2024 weekend of shows.

Our shows this year are the Bill Hardie "Sonderbar" Memorial Shows, whilst I know Bill would hate all the fuss (on one visit to the hospital he chided Mark and I not to make this weekend bigger than the Queens funeral) it is fitting that the Club made the decision to dedicate not just one show but an entire weekend including sweepstakes to say thank you for the two decades of service to the The Dachshund Club of NSW.

Whilst this is a memorial show, we should use the weekend as celebration of his commitment to the club, and our breed. Each of us will have memories of Bill and what I always called his Billy'isms - can't you hear the voice saying, "how about that!", and of course the shows these days do feel a little strange without seeing Billy sitting ringside monitoring the entire operation. Billys family will be joining us over the weekend and will be presenting General Special Rosettes – Stephen and Christine we look forward to seeing you.

The inclusion of sweepstakes has been made just that little bit more special by the club having Billys very good friend and no stranger to dachshunds Ian Doherty judging our sweepstakes on Friday. We might have had to bring Ian out of retirement and obtain dispensation from Dogs NSW, but are so grateful to you for this appointment - Ian on behalf of the Club thank you!

I would like to thank our two Championship Show judges for making the trip to officiate at our shows, I always think it makes for a great show weekend when we have breed specialists. Sue Bennett (Charlemagne Standard Longs) will be judging our Good Friday Show, and Bruce Jenkins (Waydack Standard Smooths) will be judging our Easter Sunday Show. The Committee and I hope you enjoy your day of judging our dogs.

I would also like to acknowledge the hard work of committee members who have helped organise these shows. We all know what it takes to pull a weekend of shows together, and I want to thank all of you for the considerable time and effort contributed to make for a wonderful weekend.

We are once again very fortunate in having generous sponsors for our shows. On behalf of all exhibitors and the club I would like to thank the following commercial sponsors:

- Orivet
- Plush Puppy
- Scratch
- Blingy Show Leads
- Glamour & Glitz Number Holders

In addition to these I want to thank all who donated for Rosettes and Cash Prizes, your generosity to the club has been overwhelming!

Good luck to our Judges and all exhibitors, I hope you have an enjoyable weekend. And please remember, at the end of the day we each take the best dog home with us.

**Dale Thomas-Berrier**

## **Eulogy of Bill Hardie, given by Mrs. Christina Rafton**

31 May 2023

Bill was born in Auburn to Jack and Dell, who was affectionately known by Bill and his friends as "Chubb". When he was 3 years old the family including a younger sister, Maureen, moved to Hornsby, where he lived for the rest of his life.

His first job was working for KuRingGai Council, and when he left that employ, he bought a Business in Carlingford called "Regal Doggy Boutique" and worked there until his retirement.

Bill's nephew, Stephen, at around the age of four together with his mother moved back into the family home where Bill got to have many fun and adventurous times with Stephen for about the next 10 years! And Stephen will share some of these memories later.

Over the years Bill had four great nephews and nieces Natasha, Lily, Daniel and Matthew. He took great delight in riling them up, and they in turn took great delight in giving back as good as he gave. In the younger years, when their mother would try to feed them only 'healthy' food it was always such a treat to visit uncle Billy, as they had never seen so much soft drink, biscuits and chocolates all on offer before. When the youngest was 3 or 4 his favourites were "Hairy Ripes" and "Knickers" bars. Now, as the kids are older, they were much more eager to check out his infamous liquor cabinet.

In 1961 Bill got his first Mini Smooth from Steve & Sherry Pausey, Ch Windswept Sunday Best.

This was the dam of his first litter in 1963 bred her to Ch Windswept Hold Me Close, and most Sonderbar pedigrees can all be traced back to that particular Dachshund

Initially his first years of showing Bill would travel to shows by train, even as far as Goulburn and later he would arrive at show's in his little cream, mini minor panel van. He was fortunate with the choice of imports and maintained that all these dogs played a part in the improvement of the breed by contributing in certain ways to their progeny.

Just 5 years later, in 1968 Ch Sonderbar Say It Again went BIS on both days of a Double All Breeds Champ show, and as if that wasn't enough her daughter Sonderbar Let It Be Me went Puppy In Show on both days as well. Let It Be Me turned out to be a champion and a very big winner.

He also had great success with other Sonderbar CH such as: American Pie; Fernando; Oh Brandy; Paper Doll; Money Honey; Fascination; Nikita; Vogue; Howzat and Look at Me. He not only had success with these but there were also Ch Ardmore Rant and Rave who was bred by Bills good friend Betty Patterson and a Multi BIS winner and also, Ch Turin Swy. Swy went onto RU BIS the very first Spring Fair Show in 1975 to a miniature poodle. There were 3,800 entries at that show - at the time unemployment was at 5% and inflation was at 18%.

Sonderbar dogs were successful in both the ring and at stud. One of his most successful dogs was Ch Sonderbar That's All: who not only won BIS NSW Dachshund Club Specialty but also

BIS at the Hound Cub NSW in 1982 from an entry of 422 hounds, and then also BIS at Parramatta & Dist ABKC. That's a mini smooth winning the top award at Breed, Group and All Breeds level, no small achievement.

Ch Sondebar Howzatt went BIS at Dachshund specialty and won the Katy Oliver Trophy for Best Dachshund any variety Sydney Royal 1996 while Ch Sondebar Look at Me also won the Katy Oliver award as well as BIS at the National Dachshund Specialty in Adelaide in 2000. The UK judge Betty Mundt wrote "Look at Me and I did, Super Bitch"

Bill imported many dogs and he always made his imports available to anyone who wanted to use them, believing that sharing the quality of the dogs that he brought in would only give more depth to the miniature smooth variety.

On a trip to the UK with Terry Crowley in 1971 he chose his first import: Ch Bowbank Red Remus came to Australia by ship as in those days you could not fly animals to Australia because of quarantine restrictions. Remus was widely used producing fronts with a better lay back of shoulder. A lot of mini smooths could be traced back to him and Bill credits him with giving the progeny the 'look'.

Other UK imports were also influential –

Eng & Aust Ch Stargang Wurlitzer (Marcus) had a lasting influence on the Breed as did CH Minimead MacAskill (Matthew) who helped improve the hindquarters and the eye shape, and also CH. Brookmill Mr Bumble (Barney) he produced better shape feet. And of course Ch Willcumen Cool Dude (Lotto). He certainly made his mark with two sons winning BIS at the Easter double specialties.

Bill also exported to America, Ch Sonderbar Boomerang MS ROMO (Quigley), a dog that was to become his 100<sup>th</sup> Champion, and owned by Cindy Senff. A top winning Mini Smooth used widely at stud throughout the States with 32 American champions to his credit and the top winning Field Dachshund (All Coats) as well.

Bill in the early days was not always as outspoken as in later years. In his own words for an article that appeared in magazines quite some years ago, he stated "when I started out I was not game enough to even open my mouth, not like I am today. I watched and I listened, I studied and I asked questions. And back then to win a blue ribbon was like winning lotto." He stated that his interpretation was that the breed should present a dachshund in miniature, not just a miniature dachshund. And also that dachshunds are bred to work.

For his dedication to the breed, Moira Sherwood, Ernie, Burge-Phillips plus Lionel & Eileen Britton on 8 Aug 2007 recommended to the Dachshund Club of New South Wales for Bill to be given life membership in recognition of his commitment to the improvement of the breed.

Brisbane Royal, many years ago, Bill in four-inch platform shoes, a totally white outfit with flared trousers and at least six or eight dachshunds on leads, was waiting for the dogs to be vetted with Bill Siggers and the Earl of Northesk standing rather nearby when suddenly

there is a very loud wolf whistle that everybody can hear. Billy turns around and they're all staring at him, and he says 'well I haven't got time to go home and get changed'.

Yet another tale about that famous white suit. Bill was at a show, feeling really good about himself and how he looked. He sits down and puts his bag on his lap and sorted out some things. Pooped the bag back on the ground and realised it had dog poo on it! He said no one wanted to be near him after that and he stunk for the rest of the day!

Miniature Smooth Dachshunds were always Bill's breed, but he did get involved occasionally with Standard Smooths and the odd whippet. So, not surprisingly and again many years ago, Melbourne Royal, pouring with rain, all the judging had been moved indoors with only two rings and separated by a rope, with crowds gathered all the way around so that everybody could see what was going on. Whippets were being judged and Ian Doherty wins Dog Challenge. Bill... (knowing that the judge didn't give both challenges to the same handler) says to Ian, "you're going to need to get someone to take in the bitch" and Ian replies, "I haven't got time to do that now, you're going to have to take her in for me, Bill". Reluctantly, Bill takes hold of the lead and wins the open class and then goes in at the top of the challenge line up. The judge comes along and says to Bill "straight out and back". All eyes on him and Bill concentrating only looking down watching the bitch, moves at a trot (bit faster than he did with the dachshunds!) but unfortunately he didn't stop at the rope. He went straight through it, right into the middle of the next ring! When he finally comes back to the judge and says "well, I don't suppose I get the challenge?" and he didn't.

As of a few days ago, Dogs New South Wales records has Bill having bred 172 litters and 488 dogs registered. He has bred and/or owned 169 Dogs that have achieved Champion, Grand champion or Supreme champion and imported a total of 8 dogs.

He was known by everyone, even the doctors at Neringah learnt that when they were checking on him and he got phone calls from all around the World. This along with the continual parade of multiple friends calling in to see him! And he was very kind and considerate of those needing help or to those needing someone to talk to. You dare not say anything less than complimentary about anyone he cared about because they were "something special". Except for maybe Aunty Jean Sutton, anyone who held a different opinion to him maintaining they could "Just all go to buggery".

**A n y h o w**, on Bill's instructions, we are not to be sad but to remember the good and the fun times, he was unique and we are all that much richer for having known him and called him friend

## Introducing Fridays breed judge

### Sue Bennett

I started showing longhaired dachshunds at the young age of 12, both standard and miniature. As an adult, I also showed a wire and a smooth haired. I found it difficult trying to show other varieties at the same time, so I decided to stay with my first love, the longhairs.

I started breeding longs in my 20s under the Charlmagne Prefix, and have bred many champions. My most famous being Jimmy Choo and Liberty Belle.

Between them they have won many Best in Shows at both Specialties and at All breed level. I am still showing and breeding the occasional litter.

I qualified to judge all hounds about 35 years ago. I have judged Dachshund Specialties all over Australia and New Zealand, and look forward to judging at the DCA National Specialty 2024.

## Introducing Sundays breed judge Bruce Jenkins

I have been involved in dachshunds most of my life as my parents started with them and I just got involved in handling and training as a child. A line of standard smooths was established which was initially based in the famous Silvae kennel lines from the UK.

I made up my own first champion in 1964 while still finishing school.

In the 1980's American lines were introduced and I took over the kennel when my father became ill. The kennel name is Waydack and has produced many champions over the years including top winning group and best in show winners.

Miniature Smooths and Dobermans have also been championed over the years but nowadays only standard Smooths are kept. I handle my dogs at the shows myself. I only breed a litter when I want something to show and continue my line with which means a litter on average every three years.

I am a qualified all breed judge with The Kennel Union of Southern Africa, the FCI, AKC and Dachshunds and the Hound Group in the UK.. I qualified for my first group, Hounds in 1980 and my final group in 1998. Over the years I have been invited to many countries to judge at specialities and all breed shows including England, USA, Holland, Kenya, Zimbabwe, Namibia, Denmark, Finland, The Philippines, Russia, Australia and New Zealand.. Due to the nature of my work I find it difficult to get away at certain times of the year so acceptance of appointments is limited. I am presently chair of The South African Dachshund Club and serve on the Executive Committee of the Kennel Union of Southern Africa. I am a Vice President of KUSA and also a life member.

# Introducing Sweeps stakes judge Ian Doherty

Brian Doherty known to most as Ian but along with his partner Terry Crowley was responsible for the famous and world recognised Martinique Kennel. Whippets, Dachshunds and Beagles have proudly carried that prefix.

Ian entered in the dog world when he was 21 Years old and now 67 years later he is still very involved in the dog scene both in Australia and overseas. His involvement in the dachshund breed has spanned Mini Long Haired, Standard Long Haired and Standard Smooth Haired, with his knowledge and experience nothing short of remarkable.

During the 1960's there are very few Hound Catalogues that would not feature amongst the list of winners the Standard Smooth bitch Aust Ch Martinique Miss Dior, winning not only at bred, group and In Show awards at some of the most prestigious shows of the time. Many dogs have been exported to notable kennels around the world along with numerous imports of both Dachshunds and Whippets . Always interested in improving the respective breeds without question and exhibiting when breed numbers were exceptionally high.

The words below are very special and written by the late Glen Dymock who grew up through the Martinique era in Sydney before moving to the UK as a respected Journalist involved in the Canine world .

“Ian Doherty is right up there in the history books of Australian dogdom with Whippets Dachshunds and Beagles, A true hound person and kennel.”

# The benefits of DNA testing

- ✓ Ensures your responsibility as a breeder in maintaining the best standards when it comes to the health of your animals
- ✓ Allows you to screen for relevant diseases – assess genetic status (clear or carrier or affected)
- ✓ Screens for desirable traits such as coat colours & hair length
- ✓ A DNA profile (fingerprint) allows you to verify any stud service, multiple sires and confirm pedigrees
- ✓ Focusing your testing on your breeding stock will allow you to predict outcomes for future litters

## So simple, easy & pawfect...

- ✓ DNA collection is via a non-invasive cheek swab
- ✓ Test at any age
- ✓ Orivet's Innovative Full Breed Profiles screen for all diseases and traits relevant to your breed
