## IMPORTANT VENUE RULES

The following rules must be followed to keep everyone safe and to ensure we are allowed back:

- Dogs must NOT be tethered. For the safety of all dogs, human competitors and other ground users who may wander into our area, dogs must be crated or securely in cars.
- Barking and lunging dogs will not be tolerated.
- Please be respectful of the other users, particularly campers, and mindful of their dogs.

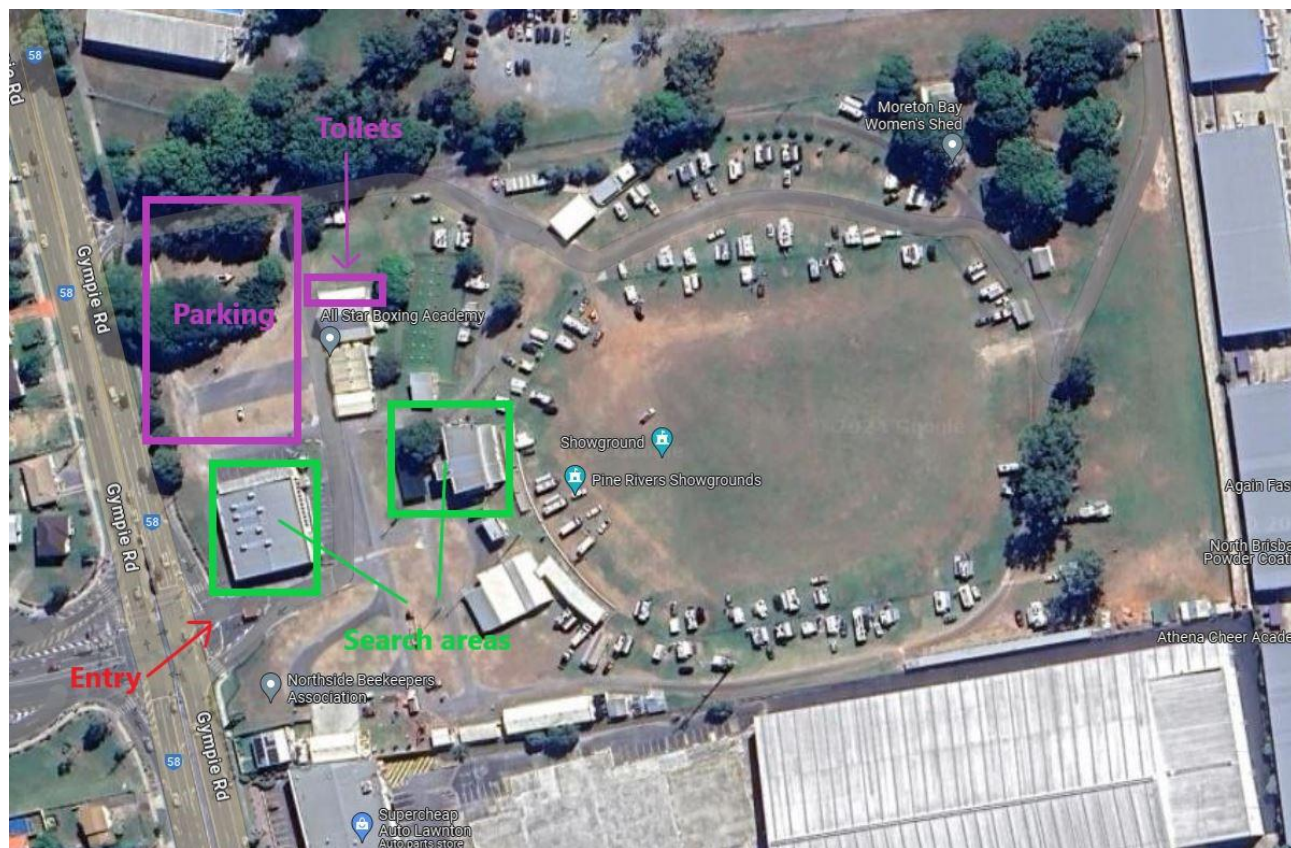

## VENUE ENTRY, PARKING and SEARCH AREAS

Entry is via Gympie Rd.

Parking is to the north of the Showgrounds Hall.

There are various toilet blocks in the grounds, the closest toilets to competitors are beside the Arts and Crafts building.

The two buildings being used for searches are the SHOWGROUNDS HALL (all Interior searches and Novice Containers) and the WYRUNA ROOMS (Advanced, Excellent and Masters Containers).

## DOGGY TOILETING

- Please keep to the approximate parking area. There is plenty of grass around the parking area.
- At all times you shall be responsible for cleaning up after your dog/s.
- Please be respectful of other dogs when you are toileting your dog.

## AWARDS and PRESENTATIONS

There will be no formal presentations. Judges will present placings at the end of their class. Qualifying certificates will be issued as we go.

## OTHER STUFF

If you wish to withdraw from a class, please notify the Assembly Steward.

Rudeness and aggressive behaviour towards other competitors, trial officials or helpers will not be tolerated and will result in a disqualification from the trial.

## JOB ROSTER

**Assembly Steward:** Round up competitors in the car-park and send to the warm up boxes when vacant.

**Warm up boxes:** check competitors are arriving in order, reset containers, send to the next station when vacant.

**Hot box steward:** reset the hot boxes/containers in the search area.

**Judge's steward:**

- Make sure the judge is ready and that the judge has cleared the area
- Call next competitor into the search area from the previous station.
- Mark off the correct competitor as they enter search area and tell judge the competitor's number
- Check for dangly bits (on collars, no need to get too personal!).

**Certificate Scribe and timer:** start timer when any part of the dog crosses the start line and stop when competitor says 'Alert' for Novice and 'Finish' for all other classes. Communicate time to judge and transcribe dog's time onto certificate, making sure it is the correct competitor. Remove any NQs from the certificate pile.

## RUNNING ORDER

The Interior and Container elements will run at the same time in the following order:

1. Masters
2. Advanced
3. Excellent
4. Novice

Each element will NOT wait for the other element to finish before starting the next class. For example, Advanced Containers will commence as soon as Masters Containers has finished regardless of whether Masters Interior has finished.

**Judges are also competing and are unlikely to be available in the correct running order, so please be patient if a class is briefly held up while a judge competes or if a judge has to slot in ahead of you. This applies also to volunteers who are not available in their correct running order, due to their volunteer role.**
