Best Breeder's Team in Show	

Lorna Schuster Best in Show Trophy

Presented at ATCV Championship Shows since 2012

Lorna Schuster (nee Green) acquired her first Airedale Terrier as a young girl and joined the ATCV in 1930. She began breeding under the

Hillmere

prefix in 1931. Over the years Lorna imported six Airedales from the UK, most in partnership with other breeders, all of which made a significant contribution to our breed.

Lorna became Secretary of the ATCV in 1939 and held this position until 1954 when she and her husband Clive moved to WA. Lorna's contribution to both the Club and the breed was recognised by the Airedale Terrier Club of Victoria and she was appointed as the first Life Member of the club. On her return to Melbourne in the early 1960's Lorna again became active in Club affairs and over her time in the Club occupied nearly every official position and she continued to serve regularly on the Committee until the mid 1990's.

In 1970 Lorna trained Ch. Hillmere Calypso to the title of CD, the first Terrier bitch in Victoria to gain a Companion Dog title. A long line of Hillmere obedience title holders followed. Lorna's interest in Obedience continued over the years and it was through her enthusiasm and encouragement that the ATCV introduced Restricted Obedience Trials on a regular basis throughout the 1980's and 90's.

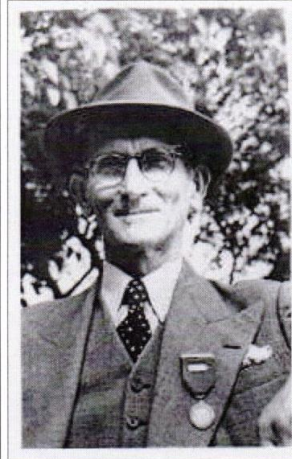

Lorna bred innumerable Hillmere Champions her first Ch. Hillmere Valiant in 1945, provided foundation stock for many of the old established kennels in Australia and New Zealand and won many Club Specialities, Royal Challenges and Best in Show (All Breeds) awards over the years, as well as all of the Club trophies many times over.

Lorna held the unique honour of being Patroness of each of the affiliated Clubs in Australasia—Victoria, New South Wales and New Zealand.

Lorna Schuster's influence on the Airedale Terrier world was immense over the years and was made all the more admirable by her unselfish and untiring efforts for the good of the breed as a whole.

Lorna passed away in May 2000 aged 89.

Bill Brilliant Trophy for Best Opposite Sex in Show

Bill Brilliant

commenced his long and successful career in the Dog World with the purchase of an Airedale bitch in 1923. His association with dogs included breeding, exhibiting, importing, judging and administration. His first imported Airedale was Orator in the mid 1920's followed by Wrose Palm, Fernbank Rascal, Princehill Alpha and his last Riverina Gulliver in the mid

1950's. **Stoneleigh**, his own kennel prefix, became well known for quality Airedale Terriers such as Stoneleigh Stormer, Ch. Stoneleigh Solario (the first Airedale to win Best Dog in Show at the Melbourne Royal Show in 1934), Ch. Stoneleigh Sapper, Ch. Stoneleigh Safeguard and Ch. Stoneleigh Supreme.

Bill was involved in the formation of both the Airedale Terrier Club of Victoria in 1929 and later the Sporting Terrier Club of Victoria. He was President of the Victorian Poultry and Kennel Club from 1948 to 1962, was appointed to the Committee of the Kennel Control Council in 1947 and was an All-Breeds judge from 1956 to 1972. He was recognized as an authority on the Terrier breeds and filled many important judging appointments. He judged our Championship Shows in 1947, 1949 and 1965.

His contribution to the dog world was recognized by Life Membership of the Airedale Terrier Club of Victoria in 1964, Sporting Terrier Club of Victoria and the Victorian Poultry and Kennel Club. He was made a Life Member of the KCC in 1978 and was Patron of both the ATCV and the ATANSW.

Bill celebrated his 100th birthday on 31st. August 1986.

Bill Brilliant contributed much to our Club, our breed and the Dog World generally and holds a unique place in Airedale Terrier History.

The benefits of DNA testing

- ✓ Ensures your responsibility as a breeder in maintaining the best standards when it comes to the health of your animals
- ✓ Allows you to screen for relevant diseases – assess genetic status (clear or carrier or affected)
- ✓ Screens for desirable traits such as coat colours & hair length
- ✓ A DNA profile (fingerprint) allows you to verify any stud service, multiple sires and confirm pedigrees
- ✓ Focusing your testing on your breeding stock will allow you to predict outcomes for future litters

So simple, easy & pawfect...

- ✓ DNA collection is via a non-invasive cheek swab
- ✓ Test at any age
- ✓ Orivet's Innovative Full Breed Profiles screen for all diseases and traits relevant to your breed
