## WORKING PARTY WELCOME

Dogs West acknowledges Traditional Owners of Country throughout Australia and recognises the continuing connection to lands, waters and communities. We pay our respect to Aboriginal and Torres Strait Islander cultures; and to Elders past and present.

The Working Party consisting of Maree Birkenshaw, Roni Oma and myself as Chair, welcome you to the 2023-2024 COTB event which will culminate with the Winners in each category of Neuter, Puppy and Show Dog of the Year.

We thank our very generous sponsors and donors who have provided an amazing variety of fabulous prizes, vouchers, rosettes, wine, goodie bags and more. Our Corporate sponsors, Royal Canin, Petstock and PD Insurance have generously supported the weekend and we sincerely thank them. All our sponsors and donors are featured within the COTB presentation catalogue and the All Breeds Championship shows catalogue.

We welcome our distinguished panel of judges, our wonderful stewards Penny, Greg, Lynn and Ida, the valued support of our helpers on the day Amy and Debbie, Dogs West staff, Jodie Grieve Photography, and our Master of Ceremonies Anna, and Chief Steward Cathy. We appreciate the vast experience you share to maximise this prestigious event for us all.

To our exhibitors we thank you for your entries and support for both the COTB event and the support championship shows. This year 58.8% of qualifying dogs entered the COTB, the highest percentage since the event began. This year we have made some adjustments from previous years, and we trust that these changes will meet with our exhibitor's expectations of a well conducted event for everyone's enjoyment.

Thank you also to others who have contributed to help us put together this weekend for all Dogs West members, exhibitors, handlers and all those interested in the fancy, thank you! Good Luck everyone and have a great event!

Dogs are individually examined by the judges. Judges move between stations.

After all dogs have been examined, judges move to a single point. Each dog individually then moves out and back and then around the ring and returns to their station.

Judges will then decide which dog to select by raising of a coloured bat, ie blue, red or white.

The winner will move to the front and the dogs will circle the ring and then all leave the ring via the exit.

Only the winning dog progresses to the next round.

After the 2<sup>nd</sup> round the judges will swap rings.

Semi-finals will be judged by 5 judges in Ring 1. Winner of each semi-final will then compete for the Final. The Final will be judged in one ring with 5 judges.

- ✓ Screens for desirable traits such as coat colours & hair length
- ✓ A DNA profile (fingerprint) allows you to verify any stud service, multiple sires and confirm pedigrees
- ✓ Focusing your testing on your breeding stock will allow you to predict outcomes for future litters

## So simple, easy & pawfect...

- ✓ DNA collection is via a non-invasive cheek swab
- ✓ Test at any age
- ✓ Orivet's Innovative Full Breed Profiles screen for all diseases and traits relevant to your breed
