

## SPORTING TRIALS EVENT INFORMATION

**Sporting Trial Manager: Jeanette Durante**

If you have queries or concerns on the day, and can't find me, please text 0488745712. I will be competing in Scent Work so please respect my time with my dogs. If I have a dog with me, please wait until I return from my search 😊

Below are the check-in and start times for all five sports, the volunteer roles you may have been assigned, parking information for scent work competitors, and the order of classes for each sport.

This does NOT include competitor running orders within the events, but does include the number of competitors for each event / class. Running orders will be available in the official catalogue.

Please note that **you must attend the check-ins and briefings for each sport that you are entered in.**

At check in, please let the sporting trial manager (Jeanette) know if you are expecting to also be in the show ring and we will work out the best approach.

Please note that this is our breed specialty national, so some things may occur differently than at a local trial. We ask for patience and flexibility among competitors especially if there are clashes with conformation. Event start times may also be delayed if the sport before it has not finished. We will not be running more than one sport at a time.
