

Griffon Bruxellois Club
of Victoria Inc.
49th. Championship Show

Sunday
29th. September 2023

Judge: Mr. Graham Finlay-Kirkwood (UK)

Get to know your judge....

Mr Graham Finlay-Kirkwood (UK)

I was introduced into Cavaliers and Griffons, by my now husband, James. I started off with Cavaliers in 2006. I bred my first Griffon litter in 2011 and that was the beginning of the Grajenco affix. I have bred 3 Champions with another bitch sitting on 2 CC's and various Reserve CC's and Stud Book Numbers. Cavaliers are now in the Marisk affix jointly between James and myself. I awarded my first set of CC's in Griffons in 2021 at the Griffon Bruxellois Club Show and also judged Griffons at the Birmingham National in 2023. I will be judging Griffons at the UK Toy Dog Show in 2026.

I have also been passed to award CC's in Cavalier King Charles Spaniels with my first appointment being at the Boston, UK Championship Show in July 2024. I have also Judged Cavaliers in 2023, in the Mid-West, USA.

I am currently Secretary of the Griffon Bruxellois Club of Scotland and have served on many Committees as Show Manager, Trophy Steward etc over the years.

President's Welcome

President's Message.

Welcome to our 49th and 50th Specialty shows. We welcome also our two judges who have travelled all the way from Scotland. They are Griffon owners, and I am sure they are looking forward to today's judging. Again, Welcome gentlemen.

The club is 49 years old, having begun in 1975. However, in those days clubs had to hold a successful Open Show before they were given permission to hold a Championship Show. I was living in California in 1975 but was lucky enough to be back for our very first Championship Show.

I am privileged to be here today at our 49th and 50th. shows. Good luck to all who have entered today. Enjoy your showing, and the company of friends.

Beth Canavan (Club President)

‘Felting for Fun’

Our class prizes, judges’ gift and stewards gift have all been designed and created by Kathy Grass. They are original designs, not found anywhere else in the world.

Kathy has spent the last two years designing, sourcing materials and then creating these prizes and gifts.

Research involved investigating all things Scottish, deciding on the themes for each show and then going from there.

Some quiet investigation and questioning and then much online searching led to the acquisition of the Modern Scottish tartans that each judge has as ‘their’ tartan. Jame’s tartan is ‘Silver Granite’ and Graham’s is ‘Black Scottish’ National.

Each class prize for both shows reflects the judges’ tartans.

The judges’ gifts and the steward’s gift also reflect the respective tartans.

Kathy hopes that the creations bring as much joy to their new owners as they did to her when creating each piece.

THE POINT SCORE EXPLAINED...

For many years the Club has had two Perpetual Trophies that are known as *'The Most Successful Stud Dog on the Day'* and *'The Most Successful Breeder on the Day'*.

Whilst the other Perpetual Trophies are open for all entries at a Club Championship Show, these two are only open for those exhibitors/breeders who are *current financial members of the Club*.

For example: (these names are purely for demonstration purposes and in no way indicate any current or historical Griffon breeders)

MOST SUCCESSFUL STUD DOG ON THE DAY

'Houdini The Great White Shark' is the sire (stud dog) of two entries in the Minor Puppy Dog Class, one entry in the Puppy Dog Class and one entry in the Minor Puppy Bitch Class.

He is owned and exhibited by a current financial member. One of his progeny in the Minor Puppy Dog Class is also owned and exhibited by a current financial member, but the other entry is not. Therefore, 'Houdini The Great White Shark' can only have the one puppy that is owned and exhibited by a current financial member in the Minor Puppy Dog Class count toward his score for Most Successful Stud Dog on the Day. However, his progeny entered in the Puppy Dog Class and the Minor Puppy Bitch Class are both owned and exhibited by a current financial member and will count towards his score.

The allocation of points is as follows: 3 for a first place in the class, 2 for a second place and 1 for a third place.

Hypothetically, let's say that the eligible Minor Puppy Dog is second in his class. 'Houdini The Great White Shark' receives 2 points entered against his name on the Point Score tally sheet.

Fortunately, both the Puppy Dog and the Minor Puppy Bitch win their respective classes, earning 'Houdini The Great White Shark' an extra 6 points. As he has not sired any other eligible puppies entered in the show, he finishes with a total of 8 points.

Even though 'Houdini The Great White Shark' is also entered in the show in the Open dog Class, his sire was bred and is owned by a non-current financial member. Therefore, his sire is ineligible for the Most Successful Stud Dog trophy and his sire's breeder is ineligible for the Most Successful Breeder trophy.

All the eligible stud dogs with eligible progeny will have been entered on the Point Score tally sheet prior to the day, and, depending on their class placings, will have been allocated points accordingly. At the end of the show, all the points for each stud dog are added up and the stud dog with the most points wins the trophy.

*Please note Griffons entered in the challenge classes eligible for points are the only dogs included in the tally.

MOST SUCCESSFUL BREEDER ON THE DAY

Henrietta Dyson is a registered breeder and exhibitor with Dogs Victoria or her state equivalent. She is also a current financial member of the Club. She is the breeder of the litter of Minor Puppy Class entries that were sired by 'Houdini The Great White Shark'. When the eligible puppies won their respective class placings, Henrietta was also allocated points on the Most Successful Breeder tally sheet.

Again, it is 3 points for a first place, 2 points for a second and 1 point for a third place. Therefore, Henrietta has 5 points entered on the tally sheet. Because Henrietta has eligible entries in some other classes, she is allocated points on the tally sheet according to those entries class placings.

Each eligible breeder's points are added up at the end of the show and the breeder with the most points wins the trophy.
