## **HISTORY OF THE GOLDEN RETRIEVER CLUB OF VICTORIA INC.**

The suggestion to form a Golden Retriever Club in Victoria was discussed by three exhibitors after the 1966 Royal Melbourne Show.

Following this, a meeting was held in October involving Golden exhibitors and, as a result, the signatures of many Golden owners were obtained, and the Kennel Control Council (now Dogs Victoria) was approached to allow the Club to be affiliated.

The first application was turned down because the Club was not numerically strong enough. The assistance of the Director of the R A S, who was also on the Committee of the KCC, was obtained and three months later, in February 1967, the KCC granted affiliation to the Club.

In April 1967, a meeting was held of interested Golden owners and a constitution based on a model issued by the KCC was adopted. This was approved by the KCC and in May a meeting was held to elect the first committee of the Golden Retriever Club of Victoria.

The first Members' Competition was held in August 1967; the first Open Parade in April 1968; and the first Championship Show in November 1968.

Late in 1980, the Club approached the KCC for permission to conduct an Obedience Trial, restricted to Golden Retrievers. In July 1981 permission was granted and the first Restricted Obedience Trial was held in conjunction with the 14<sup>th</sup> Championship Show in October 1981. Due to diminishing numbers and competitors' show and obedience classes conflicting this became a Restricted to Gundogs Obedience Trial in 1994 and was held separately from the Championship Show for several years. In 2009, the Club joined with the Gordon Setter Club of Victoria to hold 2 Restricted to Gundogs Obedience and 2 Rally trials, these trials are held in conjunction with the Championship Show.

In March 1974, the Club held its first Retrieving Trial (restricted to Golden Retrievers) with a Novice Stake and Beginners Test, then in November of the same year it conducted a Novice Stake, an All Age Stake and a Beginners Test open to all gundogs.

In May 1975, the Club conducted its first Novice Field Trial and in June 1975 its first Open Field Trial.

In 1989, the Club conducted one of Victoria's first Novice Gundog Working Test (then called Gundog Obedience) this trial is restricted to gundogs. In 1994, the Club conducted Victoria's first Open Gundog Working Test.

In November 2000, the Club was hosted the 3<sup>rd</sup> Golden Retriever National. The conformation and obedience events were both held at the Cranbourne Racecourse over the weekend, with conformation on the Saturday and Sunday, and obedience on the Sunday. In October 2014, the Club hosted the 9<sup>th</sup> Golden Retriever National at KCC Park. Obedience and conformation events were held on both days over the weekend.

The Club conducted its first Tracking Trial in May 2002 and its first Track & Search Trial in July 2016 to add to the other working events that the Club now conducts.

## ***A MESSAGE FROM THE PRESIDENT***

A very warm welcome to everyone to our Annual Championship and Double RTG 3 Obedience and Rally Trial. A special welcome and thank you to all our interstate & country exhibitors for making the long trip to be part of our show. We hope you arrived safely and travel safely home.

We are thrilled to welcome our judge for our Championship Show, Emma Archibald of Abinvale Golden Retrievers in Ireland, who has made a huge trip across the globe to be here with us. Our team of RTG 3 Obedience/Rally Trial judges, we thank you all for being part of our day, we hope you all have an enjoyable time. To our Show Secretary Kim Burke, our Dogs Victoria Rep Anne Lenne, our Ring and Assembly Stewards Caitlin Ryan & Joy McInnes, a massive thank you for giving up your time to be part of making our Club's show a success. Also, a big thank you must go to our Photographer for the day, Ethan James.

Our gratitude must go to our major sponsor Royal Canin, we can't thank them enough for their generosity and are hugely grateful for your continued support. To our other sponsors, Orivet, Monash Veterinary Clinic, Logos Unlimited, Pets 24/7, Melanie Newman, Bark in Style Grooming, Antigen and Surf Coats, a huge thank you as well, as without you all, we cannot run such a successful event. To our Trophy table and Rosette donators, a huge thank you for your generosity, again we cannot run these events without your support & we were over the moon that all our "In Show and Opposites" classes were donated.

To our committee members who have dedicated much of their time not only to this weekend, but also in the preparation required prior to our show, thank you so much for the teamwork and getting everything organised.

In closing, I wish everyone a truly wonderful and successful day. We look forward to you all joining us for presentations and a catch up with everyone at our after-show function in the Lyndhurst rooms soon after the conclusion of judging and photographs.

Jill Pearson

President GRCV Inc.

Meet our Championship Show Judge for 2024

## **EMMA ARCHIBALD – ABINVALA GOLDEN RETRIEVERS**

I have owned and shown Golden Retrievers under the Abinvale affix with my Mum and Dad for over 30 years. We have bred or owned 9 Irish Show Champions, 6 of which also became UK Show Champions. I was fortunate to be able to handle GB, Ir, Dk & Int Sh Ch Abinvale Traguado, Blue, to Dog CC, BOB and Gundog Group 2 at Crufts 2014 and also to Top Golden Retriever in the UK in 2014. We have been fortunate to qualify a number of dogs for the top Irish Show Dog finals and also a Pup of the Year qualifier and currently have the breed record holder for Green Stars for both dogs and bitches.

In addition to the Crufts win another highlight for our kennel was when GB Sh Ch & Ir Sh Ch Abinvale Mystic River, Tegan, won BIS at two All Breeds Championship Shows in 4 days on the Irish Munster Circuit 2015 and in 2017 I was honoured to not only represent our lovely breed but also the Gundog Group in BIS at the Scottish Kennel Club Championship Show with Cody, GB Sh Ch & Ir Sh Ch Abinvale Levanto. In 2022 Sh Ch & Ir Sh Ch Abinvale Firestorm, Jaxon, became our second UK Gundog Championship Show Group winner when he was BIS at Gundog Breeds Association of Scotland.

I am licensed to award CACs, CACIBs and the group under FCI regulations to Groups 7 and 8 and CCs in Golden Retrievers and Labrador Retrievers. I have judged in Ireland, UK, Germany, Poland, Denmark, Norway, Finland, Germany, Spain, Italy, Slovakia, Austria, Hungary, Belgium and Czech Republic. The highlight of my judging career to date was judging Golden Retrievers at the World Dog Show in Madrid in 2022. I am looking forward to my first trip to Australia.

## Meet our Property Class Judge for 2024

### **CHARLOTTE SHAH**

I've been deeply involved in the dog world since my early teens, particularly with Dalmatians, which captured my heart when I got my first one at just two years old.

Throughout the years, I've had the honour of campaigning many beautiful Dalmatians to their titles, experiencing some truly memorable wins along the way. But beyond the accolades, what truly matters to me is the partnership I share with my dogs. Whether we win or lose, there's nothing quite like the bond forged through the preparation leading up to a show and the shared experience on the day.

I am an active member of The Dalmatian Club of Victoria, where I serve as President and have been a dedicated committee member for the last 16 years.

I am licensed to judge the Non-Sporting, Hounds, Gundogs, and Toy groups and I am currently a trainee in the Terrier group.

It is my pleasure to have been asked to judge the property classes at the Golden Retriever Club Championship Show. I have always had a love of the breed since watching the movie 'Homeward Bound' as a child, their kind expressions always make me smile. I am looking forward to seeing some beautiful dogs.

Charlotte Shah

# HEALTH IS LIFE'S FOUNDATION

Royal Canin® recognises the need to address the specific nutritional requirements for gestation through to birth and lactation, and for weaning and growing puppies.

Our Birth and Growth diets are formulated to cover the critical nutritional needs by providing the most comprehensive and precise nutritional solutions for these vital lifestages.
