**JOUKO LEIVISKÄ  
FINLAND  
JUDGE**

We are delighted to have Jouko Leiviskä from Finland as our judge for our 1<sup>st</sup> Annual Field Spaniel Club of NSW Championship Show.

Jouko's interest in dogs started when he was a teenager. He got his first Poodle 1973. Since then, he has bred and showed Toy poodles and Tibetan Spaniels. His prefix is Toyway. The first litter was born 1976. Toyway dogs has been imported all over the world, it's merits include more than 300 Toyway bred Champions and 3 x Finnish Kennel Club's Vuolasvirta prize for merited breeding of Poodles and Tibetan Spaniels. His most memorable memories are Toy Poodle's BOB and Tibetan Spaniel bitch CC's wins at Crufts. Both were his own breeding.

Jouko became a judge in 1982, first for the Poodles. He wasn't meant to be the judge of all breeds. However, as he reduced breeding and showing his own dogs, he decided to start expanding the range of breeds he judged so he became an FCI all-breed judge in 2023. For over 20 years, he kept quiet about judging. Now he is again back to active work as a judge.

He has judged in almost all European countries, including England and Ireland, as well as a few times in Australia.

A very special thanks to Roslyn Thomas & the Poodle Club of NSW for bringing Jouko to Australia and supporting our new club.

**STEPHEN OLIVER  
AUSTRALIA  
STEWARD**

We are thrilled to have Stephen Oliver as our Steward for our 1<sup>st</sup> Annual Field Spaniel Club of NSW Championship Show.

Stephen is a core part of the Dogs NSW community and we are delighted to have him as our Steward for our first show. Stephen is the Chief Steward a Dogs NSW and Senior Vice President of Dogs NSW.

He is associated with the Tibetan Spaniel, Chinese Crested Dog, Chihuahua Long Coat, Chihuahua Smooth Coat, Cavalier King Charles Spaniel, Collie Rough and German Shepherd Dog. Stephen has been the Secretary from 2020 to present of the 4ps All Toy Dog Club of NSW. He is also the Treasurer 1997 to present of Chinese Crested Dog Club of NSW, the Treasurer & Show Manager 2001 to present of the Flat Face Toy Dog and the Treasurer and Show Manager 2001 to present of the Tibetan Spaniel Association of NSW.

Grounds Committee - Secretary from 2017 to present. Stephen has also been the Members Education and Prefix Committee Secretary from 2012 to present. Stephen is also a board member of Dogs Australia.

Thank you Stephen for coming on board & to Peter Cutler for your support behind the scenes.

## TRIBUTE TO DIANE SEYMOUR

Diane Seymour re-introduced the Field Spaniel into Australia in 1989 after falling in love with the breed on one of her trips back to the UK. With the help of Peggy Grayson, Diane imported two Fields, a male and a female, Ch Oldholbans Knight At Arms and Ch Solotown Solitaire. These were to be the first sire and dam of Field Spaniels in Australia.

The breed had become very low in numbers after WWII and although there had been a few imports into Australia with families migrating to Australia, there were basically none here and no one was breeding Fields.

Diane's first litter was bred under her "Stephdie" prefix. Diane had been breeding and showing English Springer Spaniels and her new imported Field Spaniels fitted in well at home with the Springers.

The first two litters resulted in four pups going to show homes and doing well in the showing winning in group and in show awards.

In 1992 "Fieldspan" was established by Diane Seymour and Robert & Yvonne Lauder.

In 1993 another two imports from Elgert Kennels in the UK were imported by Diane, Robert & Yvonne- Ch Elgert Heroica and Ch Elgert Allegretto. For over three decades Diane continued to do well with the breed, always striving to breed healthy Fields and increase the gene pool here in Australia and keep breed type and temperament paramount.

Not only was Diane instrumental in re-introducing the Field Spaniel into Australia and then continuing to add to the gene pool, she gave interested exhibitors in the breed the opportunity to show and breed this wonderful gentle natured breed. The breed has now grown in numbers here in Australia and although still relatively rare, I'm sure Diane would be thrilled and proud that there are now enough numbers to have a Field Spaniel Club in NSW and also that we are celebrating the first Field Spaniel Specialty today.

What a wonderful legacy Diane left for the breed and she would be proud and humbled to have this wonderful perpetual trophy donated in her honour.

In honour of Diane, we have created the Diane Seymour Perpetual Trophy. A very special thank you to our generous anonymous donor for sponsoring this trophy.

## VETERAN'S PARADE

Our aim is to preserve and promote this rare breed, through a range of activities for breeders and owners alike, including championship shows, fun introduction days for owners (and would-be owners) and performance events including Scentwork, SprintDog and other sports.

While Australia's climate is variable and diverse due to its large size and geographical location, our Fields have adapted and are now proudly found across Australia.

Our owners are passionate about the versatility and trainability of this breed and enjoy training and competing in most of the sports available that are recognised by Dogs Australia.

My pug Penny who does agility was running very sluggishly. She also refused a jump in training so I took her to AHT for assessment. It turned out she had a sore back - her hair "shivered" when a finger was run along her spine. After a couple of days on Canine Vital Spinal Health she was happily jumping hurdles again. Thank you very much!

**Andrea M.** ★★★★★

Our adored 10 year old Ned has been on Joint Protect for a couple of weeks now and he honestly has a new lease on life, it's actually amazing! Prior to being on Joint Protect he needed half a Panadol Osteo everyday, and when it was really bad Metacam - since starting Joint Protect he hasn't needed either. I know it's early days but all the signs are so so positive! So pleased to have found this magic powder 🙏🐾

DOGGY  
LICIOUS

# 5 REASONS YOUR PUP WILL LOVE DOGGYLICIOUS\*

\*APART FROM THEM TASTING AMAZING

Doggylicious is a 100% human grade dog treat company founded in 2020 by a dog called Dobby. Dobby was fed up with humans creating the same old treats filled with nasties and made in non-certified overseas factories. With the help of Dobby's human, Doggylicious have created a range of products including functional cookies and doggy butters which can be found in over 800 stores throughout Australia.

## ALL OUR PRODUCTS ARE MADE IN A HUMAN GRADE CERTIFIED FOOD FACTORY IN AUSTRALIA

We have one rule, if it is not good enough for our own dogs, we won't make it. The Doggylicious factory is HACCP and Organic certified. These certifications provides assurances that the upmost care is going into every Doggylicious treat at every stage of production and storage.

02

## ALL OUR INGREDIENTS COME FROM APPROVED SUPPLIERS

We only buy ingredients that come from fully approved suppliers, this means every ingredient Doggylicious use can be traced back to its original producer. All our ingredients are free from child labour, slave labour and tick the high-quality standards we impose.

03

## WE ONLY USE 100% NATURAL INGREDIENTS

Doggylicious will never cut corners on the ingredients we use. You will not find fillers, artificial colours or flavour, nasties, or xylitol in any of our products. You will only find natural ingredients such as organic coconut flour, Australian honey, and real peanut butter.

04

## OUR PRODUCTS CAN BE 100% RECYCLED

We care about today's pups and the next generation of pups in Australia. Our Cookie and Doggy Butter packaging is 100% recyclable. We are always looking at ways to improve our sustainability in our factory, packaging, and total food miles.

# Mossleigh Field Spaniels

Located in the Southern Tablelands of NSW, at Goulburn; **Mossleigh Field Spaniels** although small in numbers believe that quality is key to success. We have been successful breeders, exhibitors and performers for over 40 years with horses, cattle and dogs and bring that expertise to bear on the most wonderful of breeds; the Field Spaniel.

Our focus has been and always will be on structure, conformation, soundness, true to standard and most importantly of all, temperament. All our dogs hold clear eye and heart (echo) certificates and are elbow and hip scored prior to breeding. We are indebted to those breeders who were willing to entrust into our family their show quality dogs and provide the mentorship and guidance that has been invaluable in enabling us to show these dogs to their potential.

At Mossleigh, while conformation showing is important, performance is our passion and our dogs have proven worthy ambassadors of the breed

Their versatility is showcased by **Ch Longbourn Gandalf Grayhame CCD, RA, TK.N, SWN, JC** with titles in Scentwork, Rally, Obedience, Tricks and Lure Coursing . Not only does Pilgrim love to work, but he has sired some exceptional dogs, in particular " Ch CIB-J Dawnus Don't Dream Its Gopher SWN", who is well on his way to achieving his Grand Champion title

**Ch Fieldspan Dream come True (AI)** is the result of a mating between the beautiful girl CH Birdrise The Midnight Special and the Swedish semen import Winfarthing's Avelyde Explorer (imp SWE). This girl achieved her Championship at 11 months with multiple Class in Group wins and is sure to develop into an outstanding example of the breed. Mackenzie is competing and training in Scentwork, SprintDog, Lure Coursing, Rally and Tricks.

Not to be outdone, **Ch Birdrise Halle Berry RN** has achieved her first Rally title and is currently trialling in Tricks, Lure Coursing and SprintDog. Halle has great gundog instincts and her prey drive is excellent. Halle's first litter is planned for late 2025 and will be the first to have the Mossleigh prefix, we are eagerly awaiting these pups as it would be wonderful to have some Fields competing in Field Trials and RATG.

Our dogs are beloved family members and are equally at home in the showring, in the performance arena or at home snuggled up with their human on the lounge! Please contact Peter or Jenny Gregory PH 0422593606 for any queries or if you wish to be placed on a waiting list for a puppy.

We celebrate our love for Field Spaniels, our achievements in the conformation ring, our experiences with our dogs from Truffle hunting adventures, our school education visits, long walks on the beach, making wonderful connections because of like minded interests, to family memories and lazy days on the couch. We are truly blessed to have Fields in our lives.

David and Lisa wish all the Exhibitors at the FSCNSW Inaugural show a wonderful day. We acknowledge and thank the hard working Committee of the FSC NSW for all their efforts.

## THE PAST.....

Fieldspan was established in 1992 by Diane Seymour of Stephdie ESS & Robert & Yvonne Lander of Azucroft ESS

Diane re-introduced Field Spaniels to Australia in 1991 when she fell in love with the breed after visiting the UK. She initially imported two dogs, a male & female. Ch Oldholbans Knight At Arms & Ch Solotown Solitaire. Over the next 25 years, Fieldspan imported a couple of Field Spaniels from Elgert Kennels UK. During this time, we had great success in breeding and showing top winning Field Spaniels, many became BiS, BiG & Class in Show winners at both All Breeds & Spaniel Specialty shows.

Fieldspan were instrumental in promoting the breed to exhibitors of other breeds, affording them the opportunity of owning, showing and breeding their own Fields with great success under both local & International judges, many of whom stated some of our Fields could "win anywhere in the world"

Some notable and most memorable wins were when

Grand Champion Fieldspan Braveheart

started the 2005 Spring Fair winning Best In Show on the 1st day and followed up with Best In Group the following day under Gundog Specialist Mr Frank Kane (UK).

He also won Best In Show at the 2006 Sporting Spaniel Show under another Gundog Specialist Mr Keith Brown NZ.
