Stephanie Clark – Capilet Staffordshire Bull Terriers

My involvement in the dog world began in 2010, with Staffordshire Bull Terriers becoming a major part of my life. For the past seven years I have bred under the Capilet prefix, with a focus on producing sound, balanced dogs that display correct breed type and temperament. Over the years I have been fortunate to breed, own and exhibit several successful dogs, enjoying many memorable achievements at both Specialty and All Breeds level. Notable champions bred under the Capilet prefix include A20 Ch & Supreme Ch Capilet Dnt Feed Afta Midnite, Ch Capilet Cuz Jam Dnt Shake, and Ch Capilet Pocket Full Of Sunshine.

Pancho has been a particularly special part of my journey, achieving considerable success as a multiple Specialty and All Breeds Best in Show winner. His achievements have provided me with some very memorable moments and are something I am extremely proud of.

In addition to campaigning my own dogs, I have also had the privilege of handling and titling numerous dogs for other breeders and exhibitors. This has given me the opportunity to work with a variety of dogs and has added greatly to my experience in the show ring. I have always enjoyed presenting dogs to their best advantage and helping others achieve success with their dogs.

My passion for Terriers extends beyond my own breed, and over the years I have developed a great appreciation for the diversity within the Terrier Group. This interest ultimately led me to undertake my judging journey, which has allowed me to further study and appreciate the history, purpose, construction and individual characteristics of the different Terrier breeds.

I am extremely honoured and excited that my first judging appointment will see me judging Bull Terriers and Bull Terrier (Miniatures). Both are wonderfully distinctive breeds, and I am very grateful to have been entrusted with the opportunity to judge them as I begin this next chapter in the dog world. Would like to thank the committee for the invitation and confidence they have placed in me. I look forward to meeting the exhibitors and enjoying what I am sure will be a very memorable first appointment and an exciting beginning to my judging journey.

Dr Franne Berez

I started in bull terriers with great difficulty in 1978 while attending medical school in Mexico City. I became mesmerized by the white bitch photos in Raymond's books, The hunt began for the perfect show bitch. No one wanted to sell a 27 year old girl a dog to take to Mexico until I met Bob Thomas and he gave me a wonderful dog who I later lost in a divorce, Bob forgave me and became a wonderful mentor, My search for a bitch finally paid off and after many trips to the USA I met George Schreiber of Zodiac kennels and also Mary Remer of Banbury- Bedrock, With their guidance, I finally acquired my foundation bitch Purdy, Ch Zodiac Star Attraction ROM, sired by Ch Banbury Benson ROM who was a Westminster group winning and best colored Silverwood dog. It was from this exposure that I began to believe that a fabulous bull terrier could win in both the specialty and group ring. Not that I am very interested in all breed showing, but it was exciting when my first home bred champion, CH ACTION LEADING LADY ROM (SMILEY) From Purdy's first litter won a group with Mary Remer on the lead. I was too shy to go in the ring in those days, I named my kennel after our family business Action Industries, and after Smiley's successes, I could not get enough of breeding,

SMILEY went on to produce CH ACTION BIG SHOT ROM in her first litter who became a Silverwood winner and produced a runner up to himself that year,, CH ACTION CARBON COPY ROM (Jessica) who was my first owner handler best in show winner, She went on to produce CH ACTION THE PHANTOM ROM who also won Silverwood, One of my all time favorite bullies,, CH ACTION AFRICAN QUEEN ROM (Terra) won both Silverwood and a best in show. She made me work the hardest as we went to Silverwood three times prior to her win. By that time her daughter, CH GYPSY QUEEN ROM, then 4 months old, and son AH ACTION KING PIN ROM watched their mom finally win. CH ACTION GYPSY QUEEN ROM went on to win silverwood 2 years later, Many say that tight line bleedings are the only way to go, I have always bred from my heart and eye combining my 2 original lines that were not line bred and complementary types. I have won several more Silverwoods since then and all the animals have can be traced back to my first bitch Purdy and my first import from Peter and Carol Larkins, Ch Booksale action and Drama ROM who produced Ch HOT Item ROM

Dog showing has combined my love of travel and obsession with meeting famous show dogs and their owners firsthand. After I bought Purdy, I felt compelled to travel to England and buy a bitch of an opposite type I settled on a bitch, a half brother half sister breeding, CH BOOKSALE ACTION AND DRAMA ROM (TARA-- BROOD BITCH AWARD WINNER) from Peter and Carol Larkin of the BOOKSALE KENNELS. I am indebted to them both for sharing this fabulous girl with me and also for the years of mentoring and fun travels we have shared, I began to visit them annually for a week to attend the English trophies, with my friend Jan Dykema,, Tara produced CH ACTION HOT ITEM, ROM Silverwood winner 1982 and her offspring has produced 7 Silverwood winners and multiple best colored and white dogs and bitches, best in show winners and numerous healthy and happy family companions over the last 37 years, This was not done alone and always with the help and tutelage of generous friends.

A special focus has always been health, from a holistic point of view, I have started to write articles to help raise healthy sturdy dogs, through natural diet, herbal and nutritional therapy, and plan to place my focus there in the future, I am sitting on the board of the BTCA for the third time and work on ethics, good sportsmanship and now as fourth year

chairing the team USA for the international competition ,WE HAVE BEEN RUNNER UP TO ENGLAND TWICE, I consider that an accomplishment,

I have the goal of breeding happy and healthy medium sized, compact bullies with the most power in the smallest space, Over the last 20 years I have judged all over the USA, Europe, England, Scandinavia, Africa, and Australia and New Zealand.

I thank the dogs and the friends I meet through them for the most wonderful life anyone could ask for.

Currently my husband WALT KAYE and I live with 1 old bitch and 2 puppies (14 months old)

CH ACTION DREAMS OF THE DIVINE ROM

SILVERWOOD WINNER 2009

BROOD BITCH TROPHY WINNER 2014

And we have recently lost our other beloved, Chopper, who left me a daughter

CH SARENJENI EASY RIDER sire 2015 LOVELL TROPHY WINNER,

Ch ACTION DELICIOUSLY DIVINE ROM

Over the years, I have always cooperatively bred with close friends, Currently the dogs I am showing all come down from breedings with Hans and Marion Koenings , Krista Prater Piles and Dale Schuur, The 2 bitches that I am currently showing are both young but finished their championships and ROM in 4 consecutive shows, by 14 months old each . they both date back to my 2 original bitches from 1980.

Ch Formula Cosmic Connection to Action rom

CH Action Kiss of the divine from Old Forge ROM

I have been on the board of the BTCA on and off over the last 20 years and have chaired committees that produced the current code of ethics, , the education committee, started up team USA which represents the USA in Holland, and have worked on the health committee. My passion is bringing new people into the breed and I think that has been the secret that created 9 silverwood winners, several stud and brood bitch trophy winners and multiple best in show winners along the way ,I am grateful to all who have come before me and those who will come after me,

Judge Skip Greaney

Colin “Skip” Greaney - Auburn Bull Terriers

Colin “Skip” Greaney of Brooksville, Florida, USA, along with his wife Lisa, obtained their first Bull Terrier in 1989, a dog named Tucker. It took us on a life-changing journey. We have breed under the Auburn prefix since 2000, with the name originating from the small village in Ireland where Skip was born.

Skip and Lisa started showing dogs in 1995 with very modest success. It was not until they bred their first litter that they were able to produce a Champion. Ch. Auburn Four On The Floor became their first titled Champion.

They have bred very little, with only 7 litters bred since 2000. These litters, however, produced 13 Champions of record from 28 total puppies and many other accolades. Among their modest accomplishments are the United States Top Producing White Bull Terrier in 2003, dogs finishing in the Top 10 in the USA for 4 straight years, and 3 dogs qualifying and competing at the prestigious Westminster Kennel Club shows. Skip and Lisa have bred or finished 9 ROM Champions and numerous Best of Varieties at BTCA shows, as well as numerous Terrier Group placements.

Some of their dogs include:

- Sinabar Pardon My French, who was the dam of 8 Champions including 4 in one litter.
- Ch. Auburn Thief of Hearts, the USA’s #2 dog to Westminster Champion Rocky Top Sundance Kid.
- Ch. Auburn No Autographs Please ROM (#4 in the USA)
- Ch. Auburn Hot Damn Here I Am (#3 in the USA)
- Ch. Auburn Legend In My Spare Time (#3 in the USA)
- GCH CH Auburn Shock and Gnaw (Eukanuba National Specialty Winner from the Bred By Exhibitor Class)
- GCH CH Notorious Red Hawk ROM

- Ch. Teirwgywn Welsh Wonder ROM
- UK/ESP/SGCH CH. Megavilles Reckless ROM

Skip has been involved in nearly every capacity in both local clubs and in the BTCA. Skip has served as President of the Bull Terrier Club of Tampa Bay for 9 years, as well as serving on the BTCA Board three times, currently as First Vice President. Skip and Lisa were also the Co-Chairpersons of the BTCA's Silent Auctions for 6 years, raising over \$64,000.00 for rescue dogs in the USA.

Skip is licensed to judge Bull Terriers and Miniature Bull Terriers and has judged them in the USA, Canada, England, Australia and New Zealand. As of the end of 2025, he has judged over 1,350 dogs.

Glenn Snyder

I have been involved in showing Bull Terriers since 1993, although I have lived with them since childhood. I have attended Silverwood weekend each year since 1997, and have attended the breeders seminar at Silverwood. In addition, I have attended the Judges seminar as rules at the time allowed. I have also attended the BTC Trophy shows for many years as well as the international show in the Netherlands on many occasions.

Bestuvall Bull Terriers

It took a car accident for me to get my first Bull Terrier, not something I would recommend to anyone starting in the breed!

Long ago and faraway I was living in New Haven, Connecticut. My husband wanted to go to a car show. The dog show was right next door. Suffice to say cars did not interest me BUT dogs did.

So, as I wandered around wearing a newly knitted black fuzzy beret, I came across this funny looking white thing. As I bent down to pet him, he grabbed the hat and shook it like a dead rat (I have to admit.

It did look similar). I swore from that day I would have one of "those dogs".

After living a life with parents who loved dogs (we had all kinds. Boxers, yes cropped and docked to Cocker Spaniels, yes docked, to Bassets, appropriately wrinkled) I missed owning a dog, but life then did not allow for pets.

When I moved to Texas, we had room but no dog. Coming back from a party we were driven off of the road by another car and our old VW van flipped over. I had a severe cut on my head that took me to the ER.

While there the doctor on call came in (freshly pressed jeans and lots of gold chains told me he was "hip"!!). He proceeded to stitch me up and while I was in a narcotic haze told me that he was picking up his new dog at the airport that morning. I asked what "kind" of dog, he said, "You wouldn't know. It's a Bull Terrier". When I responded, "white or coloured" he perked up (thankfully I did not) and said "coloured".

We became good friends and ultimately, he gave me his dog (Ch Forhans Brindle Boar). He proceeded to buy another that he could not keep. So I then had "Pearl", half-sister to Boar. They were terrorists, but I loved them.

Meanwhile I had a friend who had Great Danes. She encouraged me to go to my National Specialty and I did. Went to England. And after much time and many dogs... here we are today.

I was encouraged to judge. I dropped my American Kennel Club application in the mail at the San Francisco airport on my way to England years ago and never looked back!

I have attended every Silverwood since 1981 and attend as many specialty shows as I can get to in the USA. I have also travelled and judged in the USA,

Canada, Australia, New Zealand, Hungary, Spain, Brazil, Chile, South Africa and the Netherlands.

My dogs have been the recipients of many ROM awards. A bitch of my breeding won Silverwood and her half brother Razor was runner up. Razor was also Best Colored Dog and won the National Specialty over an entry of 170 dogs.

I was the recipient of Breeder of the Year for two years in a row and have won the coveted Breeders Cup. With co breeders Tom and Carole Huey, our bitch Bestuvall Color Copy N Action won Brood Bitch of the year two years running, accumulating 55 and 60 points respectively.

I have been judging, breeding and loving Bull Terriers for “donkeys years” now and every minute has been pleasure.

There is no better way to get to know people than through dogs.

Thank you for inviting me to judge. I am honored and look forward to a day of wonderful dogs and people.
