The Club was formed in 2016 and after a few Social Days gained Dogs Qld affiliation and held its first shows in 2018. Then COVID struck and had a major impact. In mid 2024 a few concerned members got together in an attempt to resurrect the Club, post covid. There were minimal records, an outdated members list, no secretary or treasurer and no way to access to the club funds or banking facilities.

Current members will acknowledge that this took some doing. At that time, Dogs Qld advised we had been relegated to a Social Club until June 2025.

Three recently established Australian breeds were included to update our Club charter, being the Australasian Bosdog, Murray River Retriever and Tenterfield Terrier. This equates to eight different breeds from Groups 1, 2, 3, 5 & 7.

We gained full affiliation again in September 2025 and became an incorporated association in June 2026. We are very pleased to offer our first Dog Sports events.

Please see the map below regarding how to enter the Lure Coursing Field, where to park and where the rings will be located.

TRICK TRIALS MUD MAP (Durack lure coursing fields)

The red dots are to show where to go to get to the "back" gate onto the lure field. The red line is to mark the car parking. Cones will be put out, and no one is to drive beyond the cones. The blue is an approximation of the ring set up (12m x 12m). Both rings will be enclosed with orange temporary fence. No dogs are to be out of their crates unless they are competing or being toileted behind the car parking zone.

Thank you to our Sponsors.

On behalf of this Club I would like to thank all sponsors, competitors and show workers for their support and wish all a very pleasant and successful day.

It is wonderful to see all those who have been involved in the rebuilding of this Club and their dedication to the eight recognised Australian dog breeds.
