Presidents Message

Welcome to the Alaskan Malamute Club, Victoria Inc 2026 Championship and Open shows.

Please make welcome Judges Mrs Jeni Sach and Ms Darlene Fennell.

Also, without our Sponsors BlackHawk for their generous donations plus also individual sponsors for continuing support we would not be able to run these shows.

As you might have noticed but I am not here this year. It is only the second time I have missed a show since 1992. Last time I was travelling Australia and was in WA at the time. This time I am a little further away in the UK.

So, while I am not there, I will be thinking of you all and be waiting to see the results when I wake up.

Have a fabulous day and remember to show sportsmanship and respect the judge decisions.

In closing remember no matter the results we all go home with the best dog and don't forget to show them you love them.

Please enjoy the day. Good luck and have fun!

OLIVE SINGER

It is with great sadness that we acknowledge the passing of Olive Singer, a dedicated breeder, Life Member and long-time Patron of the Alaskan Malamute Club of Victoria.

Alongside her husband, Erich, Olive operated Mulawa Kennels. They initially began breeding Samoyeds in 1966 before going on to play a significant role in shaping the early history of Alaskan Malamutes in Australia. Together, they shared a lifelong passion for both breeds. Even when work commitments took them to the USA, Malamutes & Samoyeds remained an important part of their lives. When they eventually returned to Australia, their beloved Malamutes, "Kye" and "Leia", came home with them.

Olive's dedication to the Alaskan Malamute Club of Victoria and the breed was unwavering. She was a familiar and valued presence at the Club's AGMs and generously supported the club over many years. Her beautiful, hand-crafted tapestries, which she personally created and donated as prizes for Best in Show winners at our Championship Shows, were a particularly special reflection of her generosity and love for the breed.

Olive's contribution to the Alaskan Malamute and Samoyed in Australia, and to the Clubs, will not be forgotten. She leaves behind a legacy to the pure breed dog world in Australia.

“Mavya”

01/12/2013

Mavya was my first pedigree Alaskan Malamute, my introduction to malamute bitches and she certainly lived up to the reputation!

She was sassy, smart and feisty at the best of times but we really had a lot of fun together.

She introduced me to the show ring in the neuter class, to which she obtained her Neuter Championship quite easily considering she is the epitome of a pet dog.

She was always happy to participate in anything I chose to give a crack! She even got 2 passes towards a rally title before life took us in different directions.

Mavya had a cracking sledding and weight pull career. She was a competent lead dog, she wasn't the fastest, but she did the job well. She did sledding all over Australia alongside Storm, Duke and King, Her Weightpull career really got a boost when titles became recognised by the ANKC, gaining her WWPDX over 2 years and further igniting our passion for Sled Dog Sports. She never quite broke the tonne but got close with a pull of 930kgs.

Mavya is known for being a path of mass destruction and having zero self preservation skills. She never did learn how to keep 4 feet on the ground but she has been the best entertainer for the last 12 years.

Mavs has been the perfect dog to guide me to the path I walk with malamutes today.

Aust. Ch. Neut. Ch. Niltaran Karuzr Shiiva (AI)

Little Sophia.....the only girl in a litter of 5 muddies but she soon let those brothers know who was going to be boss. Living with her brother Muddy (RIP) since birth she always took care of him, making him sit still like a mum while she cleaned his face and ears. Being such a strong independent girl I don't think she misses Muddy as much as we do.

A true black and white her coat is all natural with no colouring or enhancements, contrary to what some people believe. She has an effortless and clean gait, strong topline, great textured coat and beautiful black pigment.

A little slow on success in the conformation ring but when she started to shine, she soon held her own even amongst the boys. Winning multiple Best in Group 1st, Runner Up Best in Show at all breed's level.

Not the easiest title for a bitch to achieve, Sophia gained her Grand Champion title with help from her other handler Abbey Martin in South Australia. Sophia is the first Alaskan Malamute female C.I.B. (FCI) title holder in Australia, she has now also gained her FCI A20 title and amongst the first group of all breeds to attain this. She has since gained her C.I.B-V (FCI).

At shows Sophia is known to be very cheeky ringside – flirting, pushing boundaries and razzing up the boys ringside before they are judged. And recently she has taken herself on little walks without our knowledge between crates or backyards of our AirBNB's

At 7 years of age Sophia decided it was time to help some junior handlers and get a new skill in the art of the junior handler way. She didn't miss a beat and could handle a T first go!!

In between gaining all her current conformation titles we thought it was time for Soph to have a family. And now we have two precious (troublemakers).....Pink & Sable.

X

Aust. Ch. Neut. Ch. Niltaran Karuzr Shiiva (AI)

Denison is the clown of the muddy litter. Always happy go lucky with a mission in life to please, he loves all people and all dogs. The best temperament you could ask for in a working breed. We have never heard a growl come from him – even living at home with his brother while we had bitches in season next to them.

Denison has been very slow to mature and was overshadowed by his brother Muddy in the show ring at the start. Like his sister Sophia he has effortless clean gait, strong top line and beautiful black pigment.

Denison has never learnt the art of catching food..... Throwing food for him to catch is a useless exercise as he has never had any desire to learn how to catch and just looks at the ground waiting for it to drop.

2022 - Runner Up Best in Specialty Show at the AMCV Championship Show

2023 - Best in Specialty Show at the NSW Alaskan Malamute Club show under breed specialist judge Mr Roger Gifford (USA)

2024 – Runner Up Best in Specialty Show at the NSW Alaskan Malamute Club show (Best in Show going to his sister) under spitz specialist judge Mrs. Sioux Forsyth-Green (USA)

Unfortunately, 12 mths ago he had to have a leg amputated due to cancer, but having only 3 legs has never entered his mind. Now living the best life as a house dog with his best friend Milly the cat.

CH. Malpac Silver Storm WWPB

“Storm”

25/06/2016

Storm was never the best of anything, but he always gives us the best of everything.

Storm was the ignition point to our program at Polarhike. He served as my first show dog, a pivotal and eventual leader to our sled dog team and a capable dog all round.

His biggest triumph came through his progeny; being the sire to our foundation bitch and jack of all trades, Moro, who has gone on to give us the incredible dogs we have today.

Storm was his absolute best when he was working in harness. Leading teams from 3 to 8 dogs. He accumulated 100's of kilometres across his working career. Storm competed in sled dog racing all over Australia. He got quite the reputation for that outrages noggin' of his! He was my most reliable leader across the board and navigated us to many Fastest Alaskan Malamute home awards across the country.

He wasn't the perfect dog but he was the perfect dog to learn with. His flaws made me strive for better. To gain the knowledge to improve, to have a better understanding of structure and how it translates in motion through gait and harness work.

Everything I've learnt. I owe it all to him.

Storm enjoys the less serious things in life these days. As he approaches 10.5 years old he still flies out of his run at 100 miles an hour before affectionately plonking himself in your lap for a cuddle. He is a great dog to share our lives with, and we couldn't be more grateful to the path he has paved for us.

Lena has definitely retired now, but has done exceedingly well over several sporting disciplines. Lena was a delight to show and easily gained her title, but also enjoyed back packing and a little sledding with her brother Raz, then with son and daughter Winta & Rain.

Lena is a very affectionate girl and has definitely passed this and other wonderful traits onto her kids, who have also gone onto make their own mark. Lena now just watches over her kids now, but still enjoys a shuffle along the race tracks.

“Bhu” – 21/09/2017

An infrequent entry in the All-Breeds ring, and with extremely limited campaigning, Bhu has achieved great success under breed specialist judges, including Best In Specialty Show, Runner Up Best In Specialty Show, and Reserve Bitch Challenge at a Specialty Show.

She has excelled in the weight pull chute, winning the AMCV Weight Pull Point Score and Tuggy Shield. From the whelping box she has produced multiple dogs with Working Titles, Endurance titles, Sprint Dog titles and Obedience titles.

Bhu has an exceptional temperament, combining a loving and affectionate nature with the confidence, and a strong working mind.

"Moro"

25/02/2019

Moro is the matriarch of our kennel, our foundation bitch and the light of our lives. She ignited the passion that has paved our pathway in this magnificent breed. Moro was the beginning of far more than just our breeding program; She led me through some of my darkest nights, even in the most uncertain moments, she never once faltered. She really did save my life, and there's no title for that. We have travelled all over the country together and seen far more places together than I ever imagined I'd see!

Moro had a cracking show career, being awarded multiple BEST IN GROUPS and took top honours once winning BEST IN SHOW (All Breeds). Obtaining her Grand Championship just shy of her 3rd birthday. She really made her presence known. Sadly CV19 impacted her prime showing years or who knows what more she could have achieved. Even with that she still went on to achieve her CIB and A20 GR Champion status!

She is by far the most competitive dog I had ever shown and I loved every minute of the journey with her.

Her biggest triumphs came on the working field, that girl knows power! Moro has had a long and excellent weight pull career.

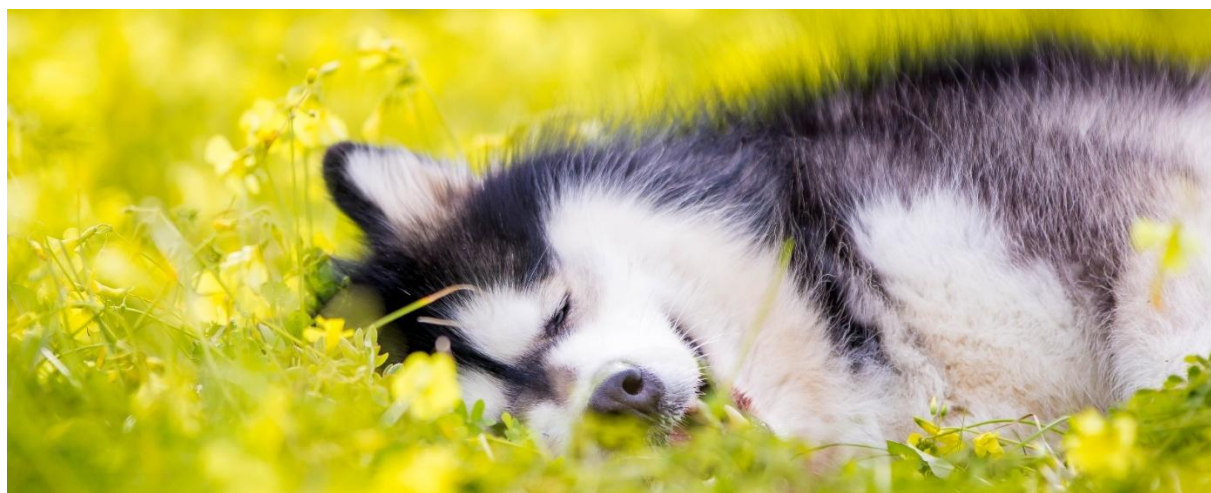

On multiple occasions she cracked 1 TONNE, something I have only seen a small number of times in the sport in the last 13 years, and mostly being achieved by males.

Moro was a force to be reckoned with and is still competing to this day.

Obtaining over 20 WWPDX passes, this girl is living proof of the resilience and grit this breed is known for.

Not only did Moro achieve all this herself, she did what every breeder dreams about and produced the same qualities in her progeny, who are also excelling in Conformation and on the sporting field.

Moro is one of the most decorated malamute bitches in the country with an impressive amount of credentials front and back; but before all else, she is our entire world in one gorgeous package. A jack of all trades and the most incredible companion we could have ever asked for.
