In Memory of John Canellis

John Canellis, a well-respected member of the dog community and one of the early breeders of American Cockers in Australia, he passed away on the 23rd of February 2026 at Hawkesbury hospital at 91 years of age.

John and his wife Patti had four children, and later many grandchildren and great-grandchildren whom he loved talking about. It was clear to anyone who knew him that his family was his greatest passion; his other passion was his dogs. John and Patti first had English Cocker Spaniels while their kids were young. They later became more involved in the dog world, breeding multiple champions under the Spicnspan prefix for Cockers, American Cockers and later Pekingese.

John also gave back to the dog show community with his other passion of judging. He was always enthusiastic and passionate about his judging appointments. Many English and American Cocker exhibitors were lucky enough to hear stories about the good old days and some of his past dogs at ribbon time, especially his beloved Rocky, otherwise known as Ch Spicnspan Zingalong.

John also helped many dogs with his 'Chiro' work as many people called it, fitting in anyone's dogs that needed it. Over the years, he helped hundreds of dogs become more physically sound and comfortable with his work.

He always loved the dogs giving him a hug and saying thank you at the end once they felt better, as he would always say he does it for the dogs.

Over his 61 years of membership with Dogs NSW he gave so much to so many. He leaves behind a great legacy and will be dearly missed by all who knew him. We thank John's family members that are here today, for coming to help share in his memory by presenting his Memorial Trophies. We especially thank his daughter Denise, who provided us with information about John's dogs and many photos, some of which you will see on a few of the awards today.

SHOW 1 JUDGE

Introducing

Mrs Jo Ann Pavey (Canada)

My journey in purebred dogs began when I acquired my first Shetland Sheepdog at the age of 13, that dog and I went on to achieve the highest-level Obedience Trial title (Utility Dog). I competed in Junior Handling and became interested in conformation as well.

My next Sheltie became my first Champion and was also a Utility Dog, so a dual Champion. I have shown for others many breeds across all of the seven recognized Groups in Canada, too many to list. I was licensed to judge all classes Obedience in 1983, and judged Obedience Trials for 25 years. At the same time, I was breeding, showing and training my own Shetland Sheepdogs. I have owned, bred, trained and shown Shetland Sheepdogs for 55 years. Our dogs have been very successful in all rings in both Canada and the United States. Once I was no longer actively breeding Shelties, I decided the time was right to pursue my conformation judge's license. I am an all-Breed judge who is focused on continually learning about all purebred dogs. I have judged Group Specialty Shows for Herding and Toys (2), as well as Specialty Shows for Collies, Belgian Shepherd Dogs, Cavalier King Charles Spaniels, Pembroke Welsh Corgis, Australian Shepherds (ASCA), Finnish Lapphunds (National), Gordon Setters, Great Pyrenees and Bearded Collies. I have been very fortunate to have judged many Sheltie Specialties all over the United States and Canada, including having judged both of the Canadian and American Shetland Sheepdog National Specialties, the first and only Canadian to have been so honoured. I have judged in Canada, the U.S., Japan and China

SHOW 2 JUDGE

Introducing

Mrs Catherine Rooney (Ireland)

As a small child I was surrounded by my dad's Jack Russell Terriers and my beloved Kerry Blue. When older I walked Greyhounds for a neighbour & always came home with welts/whip marks on my legs from the constant tail wagging. I often brought home 'strays' much to the amusement of my parent. Many years have since passed and to-date I have been involved in various pedigree breeds: Boxers, Bichon, Dobermann, Schnauzers, Giant/Standard/Miniature (learnt hand-stripping & rolling coats), Cavalier King Charles Spaniel, toyed with Miniature Pinscher and been involved with many Clubs including our own Native breed, the rare Irish Glen of Imaal. A cherished book of mine is "Showing & Judging Dogs by Hilary Harmer" and as a direct consequence I undertook studied with Mr. David Cavill's Animal Care College, (Canine Studies Institute, England) and acquired my Diploma in Judging. I undertook my first Best in Show in 2009 for the Irish Kennel Club and after many further years progressed to National and International All Round Judge status (Best in Show judge/Stakes Classes/Junior Handler etc). Today I am a director of the Combined Canine Club which runs a prestigious 3 day event, a CACIB show, a CAC show and the Pup of the Year, which is a Gala night event. However, I still enjoy the educational side and attended seminar's and I still steward to this day. In my many years in dogdom I have held various positions: committee member, Assistant Secretary & Secretary of a Championship All Breed Show and acted as Treasurer. I have been that officer at the coal-face: administration, planning, organising and executing shows at Local and International level. I have had the great pleasure to judge in Ireland and Northern Ireland/Great Britain, across Europe and further afield (e.g. Belgium, Estonia, Finland, Germany, Lithuania, Norway, Portugal, Slovenia, South Africa, Sweden, The Netherlands). I am recently back from judging the IDS Agria Dog Show 2026 in Sweden where my Shetland Sheepdog went Reserve in the Group & 4th in Breeders Class and on the second day I undertook the Terrier Group and was delighted to see my winning Cairn go Best in Show 3. (Over 7350 dogs entered over two days). I consider it a privilege to be amongst 'old-timers', experienced breeders, exhibitors, professional handlers & really enjoy lively discussions on traditional and historical details, much now lost. This is the nice thing about many judges; they convey their knowledge & expertise willingly. I don't think there will ever be a time when I don't enjoy learning. To be invited to judge at your show is an amazing honour and I am truly look forward to same. My thanks for this privilege.
