Please note: Track and Search Trials need many more helpers due to the numbers of diversion tracklayers, gophers and extra stewards which are required by the rules. **We kindly request that every competitor provides at least one helper or volunteers themselves for a day they are not tracking.** These helpers do not need to be experienced, as experienced people will direct them. Please do not nominate helpers on the day they are tracking themselves. **Please state the name and mobile contact of your helper in the NOTES section on Show Manager entry. Helpers who are available for two or more days are most useful.**

If an excessive entry is received, a ballot will be held at the home of the Trial Secretary, Thursday 12th November 2026 at 8 pm. The committee reserves the right to substitute judges or add to the judging panel. If tracks become available and time permits, a ballot will be held for those who may wish to "Track On" at this trial.

The committee reserves the right to add to or alter the judging panel. The committee will assess the weather conditions for the trial and reserves the right to change the check-in and start times if required due to weather conditions. Event is subject to any covid restrictions at the time and DV weather regulations.

Prizes – Certificates for each level with a small pass ribbon and for a title track a certificate and a sash

CLUB POLICY – only 2 dogs can be worked on the one day by one handler, and only 1 track can be laid by the same handler on the same day (this means only 3 dogs involved with any handler per day)
