The benefits of DNA testing

- ✓ Ensures your responsibility as a breeder in maintaining the best standards when it comes to the health of your animals
- ✓ Allows you to screen for relevant diseases – assess genetic status (clear or carrier or affected)
- ✓ Screens for desirable traits such as coat colours & hair length
- ✓ A DNA profile (fingerprint) allows you to verify any stud service, multiple sires and confirm pedigrees
- ✓ Focusing your testing on your breeding stock will allow you to predict outcomes for future litters

So simple, easy & pawfect...

- ✓ DNA collection is via a non-invasive cheek swab
- ✓ Test at any age
- ✓ Orivet's Innovative Full Breed Profiles screen for all diseases and traits relevant to your breed
