Helen Meier Memorial Show

A little bit about Helen Denise Meier...

Helen Denise Meier was born in Victoria on the 23rd of August, 1953 and laid to rest on the 12th of April, 2020. She was born the second twin to Barbara, who is 3 hours older.

She married twice and had 2 children in each marriage. It was while living in Charters Towers with David, her second husband, that she was introduced to dog shows by her sister, 38 years ago. It was a hobby she enjoyed with so much passion.

At her first show, she started out with a Cocker spaniel. The judge took her aside after seeing that her dog had the loveliest feathered feet and they started explaining grooming to her. She never forgot that lesson and was always on the alert to help newcomers and others to have their presentation correct. I think no one could argue about her commitment to newcomers, junior handlers, and was there ready to help in the running of the shows.

She quickly moved onto Boxers with her son Rodney, and often with her best friend Margaret, they travelled the East Coast for Breed Shows and the Ekka.

With the stop of tail docking, she searched harder for a new breed and saw a Shiba Inu hiding in the kennel. Months later it became hers with that she started promoting that breed, this girl went on to take BIS at a breed specialty over 87 other contenders.

After her second marriage had ended, she decided she was going to live in Canada, which is where she stayed for 3 years until unfortunately her mother became very ill. This was the time she tried to get back into showing but was not doing well with her health.

One night at the RSL she had asked Stan for a dance and it was not long after that they became inseparable. She talked of dog shows and got him interested. Away travelling together, they met Karyn Dodds and drove away 2 days later with her Pomeranian stud dog, Dasher, the start of many of those magnificent poms to pass through Helen's showing.

Helen was heartbroken when she lost her dog, Jackson, to a tick after a weekend of showing in Rockhampton as they took BIS at Spring Fair specialty show at just under 8 months old, against about 90 other top dogs.

She gave up smoking just after meeting Stan but the damage was already done. A specialist gave her 3 to 6 months to live but with help, care and

determination, she went on to live for another 4 years.

Everyone would have to agree that she would tackle anything in life at full tilt and called a spade a spade. She was never afraid to challenge things that did not look to be done correctly.

No doubt any or all of you who knew her have distinct memories of those times.

Oh boy it would have been a reunion of great proportions when she met with the others who have "GONE SHOWING".
